WHAT TO SELL LARGE ITEMS

ALL YEAR

These items are a "YES!" at any of our sales (and they usually sell well)!

Safety First: All items must meet safety standards. Please check for recalls and be sure all safety straps are included.

STEP #2 Sort

Keep | Toss | Sell

It's okay to **KEEP** the items that you just aren't ready to part with yet. **TOSS** the items that are too well-loved (stains, missing pieces, or are not working).

SELL the items that meet these 4 C's:

CLEAN

The newer it looks, the better it sells. Check carefully for stains and holes in clothing. Clean all clothing and non-clothing items thoroughly.

CURRENT

Sell warm weather clothing and shoes at our Spring/Summer sale. Sell cold weather items at our Fall/Winter sale. Shoppers love current styles that are in fashion.

COMPLETE

Be sure all parts & pieces are present before you tag items. Shoppers want to open their items when they get home and find everything in working order.

COMPLIANT

Important Safety Guidelines apply to car seats, cribs, infant equipment & toys. All of the Recalls & Safety Standards are listed at jbfsale.com for you to check each of your items before you sell.

STEP #3 Price

Ask yourself, "What price would make me buy this item without hesitation...and brag about my bargain to my friends?"

Retail Price	JBF Clothing Price	Pricing Non-Clothing Items	
less than \$10	\$1-2 Value Brands: Cherokee, Circo, Faded Glory, Garanimals	Toys Books Baby Gear Furniture Electronics Strollers + Joggers Sporting Goods	 Price a little higher for: <ul style="list-style-type: none"> • new with tags • hot selling • like-new • large toys

Bundle Items to Save Time

As you are thinking about prices, consider creating sets or bundles. Put an outfit together, or a set of same-size onesies. Bundle 6 pair of socks together, or several superhero figures. Shoppers love it, and you only have to create one JBF tag!

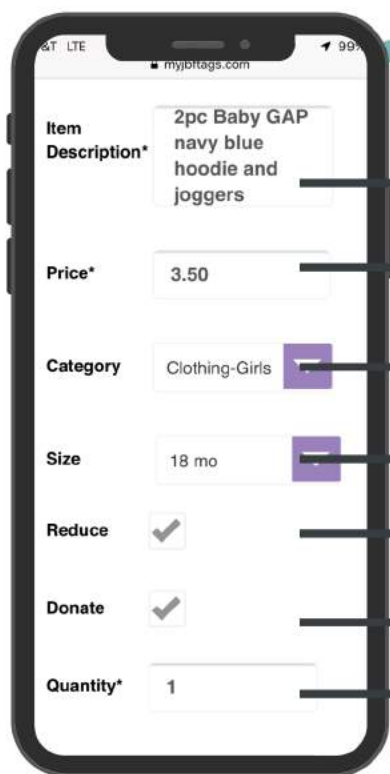

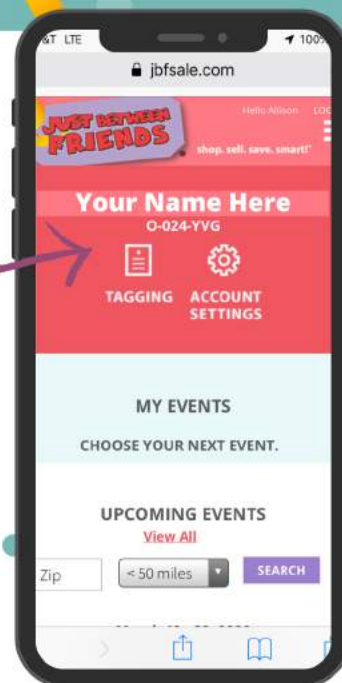

STEP #3 Price

Where to Create Your Tags

Now that your items are inspected and bundled, it's time to log in to your JBF Profile and enter your tag data.

1. JBF Page
2. Login
3. Click on TAGGING

Creating Tags

Include brand, colors, number of pieces included

You choose the price

Choose the category that fits best (leave blank if you can't decide)

Indicate size for clothing and shoes

A check mark here will allow your item to sell at 50% off on Half Price Day

A check mark here will allow your item to be donated if unsold

This feature is if you have more than one of the exact same item and want to create several tags at once

TIP! Talk-to-Text

If you are entering tags on your mobile device, use talk-to-text to go even faster.

Print Your Tags

Print tags on 8.5"x11" white cardstock. Tags print 9 per page.

STEP #4 *Prep*

Preparing Your Items & Attaching Tags

Now that your JBF tags are printed, cut them apart and sort them by gender, type and size to make this step go smoother.

Gather these supplies to make your prep faster:

- hangers
- clear self-sealing bags (zip-loc)
- ribbon/string
- zip-ties
- clear tape & painter's tape
- clear (saran) wrap
- scissors
- safety pins or tagging gun
- hole-punch

TOYS & GEAR

Two Essentials:

- Tag is attached securely (won't fall off) &
- All pieces secured together (won't separate; tape bags closed)

STEP #4 *Prep*

ACCESSORIES & CLOTHING

Accessories

Bundle socks, infant mittens & hats, as well as accessories in clear self-sealing bags. These will be clipped on the accessory poles.

Hanger Direction

Be sure the hanger hook opens to the left, like a question mark. Attach JBF tag to front of item.

Creating Outfits

It's okay to bundle items into sets, in fact shoppers love them and they sell very well!

Secure pieces to hanger using safety pins and then secure hangers tightly together so outfit remains together as a set.

Hanging Multiple Items on a Hanger

Multiple items—that are all the same size—can be hung on a single hanger. Use a safety pin or tagging gun fastener (through a sturdy waistline) to attach pants/skirts to hangers.

Tagging Gun

If you use a tagging gun to attach JBF tags, only puncture the garment tag or an inside seam so that you do not damage the fabric. (See next page for examples)

STEP #4 *Prep*

TAGGING GUN TIPS & TRICKS

Tagging Gun

When using a tagging gun to attach JBF tags, only puncture the garment tag or an inside seam so that you do not damage the fabric.

Through the garment itself

Through the garment tag

STEP #4 Prep

HELPFUL TIPS WHEN PREPPING ^{*Optional!}

Be As Descriptive As Possible

Because items are touched multiple times throughout the sale week there is a chance a tag will get lost from its original item. If this happens, and a shopper wants to purchase an item, we have the capability to search for the item in our inventory... if the description is precise and multiple items don't share same details.

Baby B'gosh long sleeve off white onesie with "Love You" & flowers, Old Navy off white pants with gold dots	0-3 mo
---	--------

Reduce & Donate!

When choosing if your item(s) will be reduced or donated, remember that some earnings is better than nothing. An item marked for donate, but not reduce, is less likely to be sold on discount day due to remaining full price.

***Advice: If donating, ALWAYS reduce.**

Identifying Marker On Your Items

Add tape, ribbon, sticker, etc. on your items (on the tag, or on the hanger). This helps speed up your pick up process as you can quickly identify that an item belongs to you or not.

***Do not use a "star" identifier on a JBFTag as it can confuse shoppers on 50% off day.**

Multiple Piece Item Tags (NOT CLOTHING)

If 2 pieces: Create 2 tags for the item. In the description on each tag write (1 of 2) and (2 of 2).

Put desired price on the first tag, then \$0 on second tag. Once printed, cross out/cover the barcode on the \$0 tag.

*As per your seller waiver, \$0.25 fee will be deducted from your seller check for every item pulled off the sales floor (after 5 "grace" pieces).

STEP #5A
