

Payment is for a 10x10 space.

If you need more room, you may purchase two spaces (10x20) for double the fee.

Vendors must supply their own tents, tables, chairs, etc. You may set up your booth in any way that does not overflow your designated area or interfere with safe pedestrian movement. Power is available to all booth spaces. You will need to provide your own extension cord.

There will be no vehicles, or trailers permitted on the Fairgrounds or at vendor booths once the Fair opens each day. All vehicles must be parked in their designated parking area at least 30 minutes prior to the fair opening. Vehicles cannot be on the fairgrounds any time during Fair operations (due to insurance regulations).

We encourage our Vendors to participate during the entire length of the Fair.

Security is provided beginning the night before the Fair opens through the closing night of the Fair.

**Your application and fee must be turned in and cleared before September 1<sup>st</sup>.**

The Fair Board reserves the right to fill spaces not confirmed on opening day with all fees forfeited by Vendor.

Vendors are expected to keep their area clean, with trash picked up regularly and boxes, etc. deposited in the garbage bin nightly and AT THE CLOSE OF THE FAIR.
