WE INVITE YOU TO JOIN US

This year's conference theme is *Bridges to Empowerment*. This theme continues to build on the momentum of our last two conferences in making SMART's self-empowering tools and communities available to and accessible for all. Join us for two full days of networking, thought-provoking presentations, and more as we gather to affirm self-empowered recovery, share solutions, and discover new ways to support the pursuit of a balanced life beyond addictive behaviors.

SMART Recovery USA is a small, but mighty, non-profit organization. Sponsors help us offer a meaningful conference experience for our volunteers at an affordable price.

We are very grateful for our flagship sponsors! Each sponsorship level includes varying levels of exposure to allies of multiple pathways generally and SMART Recovery specifically.

Dates: April 9-10, 2026

Location: Marriott Orlando
Airport Lakeview
