

2020 KANJAM WORLD CHAMPIONSHIP Participation Waiver

I understand that I am agreeing to and signing this waiver on behalf of myself and my teammate (if applicable). I acknowledge that we have both read this waiver in full and accept all terms and conditions as noted below. I understand that all instances of 'I' in the following waiver apply to both myself and my teammate.

I understand that participation in this event is at will and I hold harmless Kan Jam LLC, KanJam League and Eric Klavoon, EastPoint Sports, and Gratwick Hose Fire Company No. 6 (the "Releasees") for any of the terms noted below in connection with my participation in this event.

I understand the following:

- If, for any reason, my team cannot make it to the tournament, I will reply to the confirmation email to let KanJam League know
- Refunds will be provided if we cannot make it, but only if we have notified KanJam League prior to and including the day of the tournament
- Refunds will not be provided after the date of the tournament
- Any additional items purchased can be sent to me upon agreement of shipping fees at my own expense if we cannot make it
- The Releasees are not responsible for any overdraft or bank fees
- I provide permission to the Releasees to post, edit, modify, or publish any photos or video taken at the tournament for online, printed publication, or other use as deemed necessary by the Releasees; this also includes player names and/or other player information used for online summaries and stats
- KanJam League will review my team name(s) for approval. Team names that are not deemed appropriate or already taken will be edited and I will be contacted if an alternate team name is needed.
