KNOW BEFORE YOU GO

Mobility & Accessibility

This trip includes moderate walking. At World Equestrian Center (WEC), guests will be exploring large, open areas with paved walkways and some distance between attractions. While the property is expansive, the holiday experience is centered around one main area, making it easy to navigate at your own pace. Seating is available throughout, but not always immediately nearby. Comfortable walking shoes are strongly recommended.

Dining at Horse & Hounds

Dinner will be on your own. Guests may order directly from the full menu, with separate checks. While the restaurant staff will do their best to seat our group together (or in close proximity) this cannot be guaranteed. Please allow for a relaxed dining experience as service times may vary with a group of our size.

Holiday Experience & Layout

The holiday experience is centered around the **Grand Outdoor Arena** and surrounding plaza, where you'll find dazzling light displays, festive décor, and countless photo opportunities. For your convenience, a map has been created on Page 2. Guests will be dropped off near the main event area, placing you right in the heart of the festivities. From there, you can explore at your own pace. Most attractions are within a short walking distance of one another.

Highlights include:

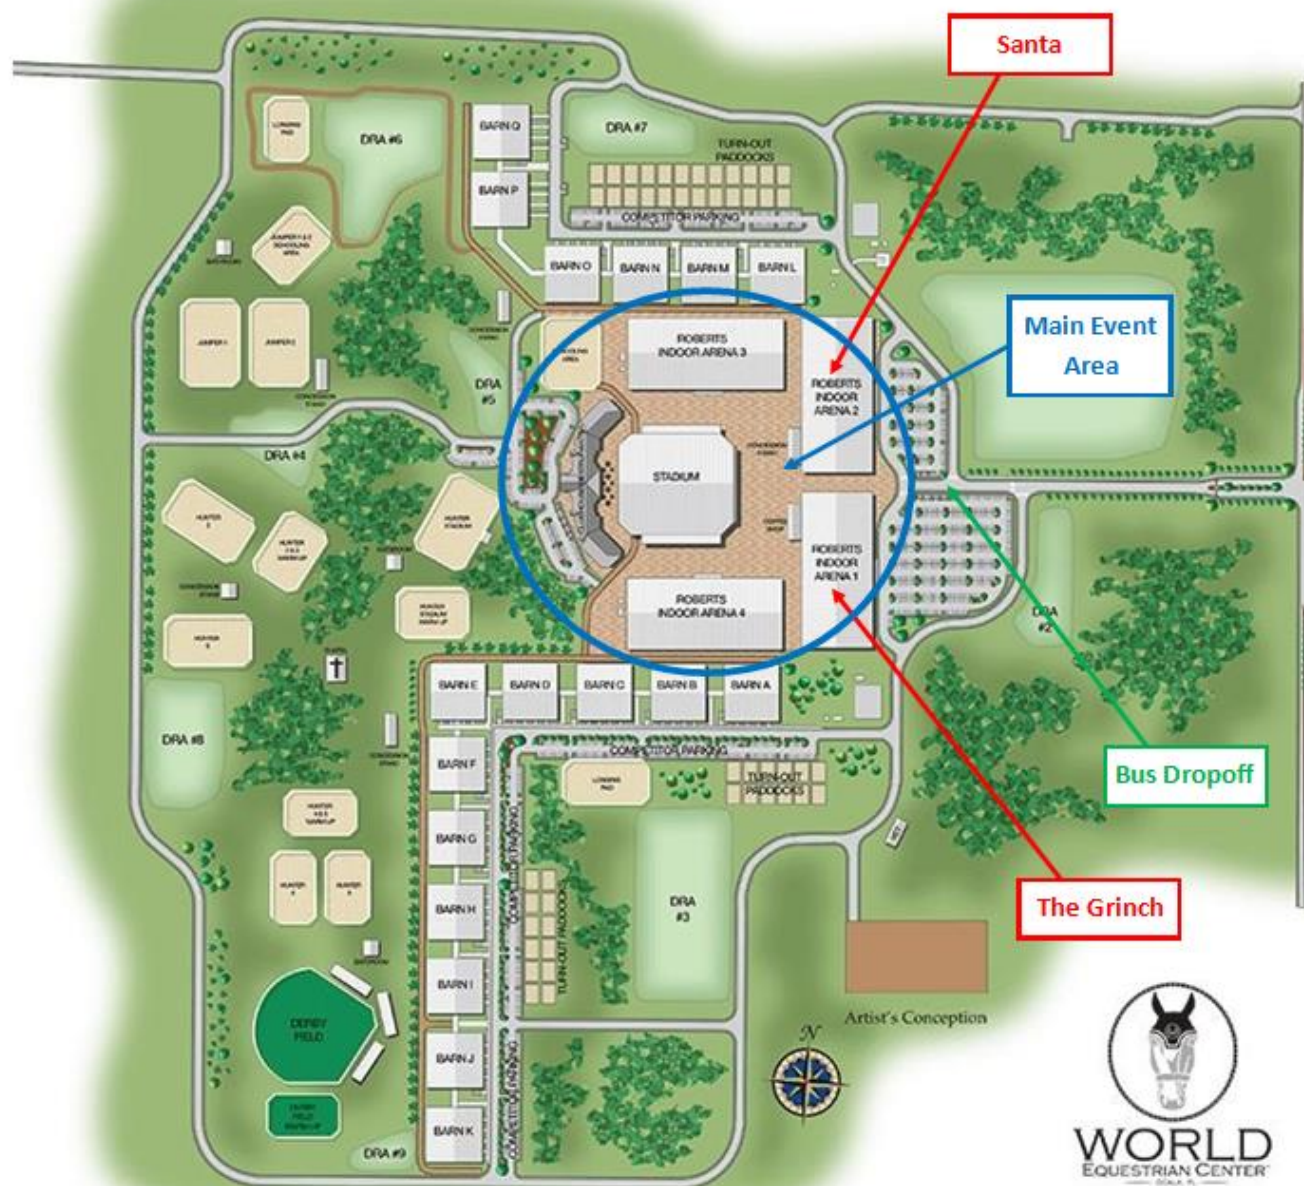

- Stunning holiday light displays and festive décor
- Photo opportunities throughout the property
- Seasonal shopping and holiday treats
- "Enchanted entertainment" including caricature artists, face painters, and balloon artists
- Special appearances by The Grinch (Arena 1) and Santa (Arena 2)

Departure & Timing: The bus will depart promptly from the Activity Center parking lot. Please arrive at least 10 minutes early to check in. If you are running late, contact your group leader/travel guide as soon as possible. The bus must adhere to the schedule and cannot wait.

Bus Seating: Seating is first-come, first-served. If you wish to sit together, please arrive together. Your selected seats will remain yours for the duration of the trip. Front seats are reserved for the group leaders.

On the Bus: Food and drinks are permitted; however, beverages must have secure, closed lids, and no glass is allowed. Personal items may be left on the bus. A restroom is available onboard but is intended for emergency use only.

Reminders: Please save your group leader's number in your phone in case of an emergency. Gratuities for the driver are appreciated.
