IMPORTANT INFORMATION

ABOUT SYMPHONY IN LIGHTS

Following an afternoon of shopping and dining, the group will gather to experience the annual Symphony in Lights at The Shops at Wiregrass.

This festive outdoor presentation features more than 300,000 twinkling lights illuminating the center's towering Christmas trees, buildings, and garlands. The lights are choreographed to seasonal music and accompanied by a snowfall effect, creating a memorable conclusion to the group's holiday-shopping excursion.

The presentation is outdoors and is subject to weather conditions and any schedule changes made by Wiregrass. The Group Leaders will announce the designated meeting location and final departure instructions upon arrival.

MOBILITY LEVEL: MODERATE

This trip involves a moderate amount of walking and is accessible for individuals using a walker, wheelchair, or scooter. If you will be bringing any of these mobility aids, please inform us at the time of registration.

Be sure to save both Group Leader's numbers in your phone in case of an emergency or any unforeseen issues during the trip.

Please note that the bus will depart promptly at the scheduled time from the Activity Center parking lot. Plan to arrive at least 10 minutes early to check in with your Group Leaders and find your seat.

If you are running late, contact one of the Group Leaders immediately by calling or texting the numbers listed above. Unfortunately, if we do not hear from you, the bus will depart without you.

Seating is available on a first-come, first-served basis. If you wish to sit near the front or with a friend, please arrive early and together. The seats you choose will remain yours for the duration of the trip. Please note that the front seat directly behind the stairs is reserved for the Group Leaders.

You may leave personal items such as coffee mugs, bags, umbrellas, and purchases on the bus while we are away. The driver will lock the vehicle during that time.

Food and drinks are allowed on the bus. However, beverages must be in containers with secure, closed lids. No glass containers, please.

Please use the restroom before arriving at the Activity Center. There is a restroom on the bus, but it is reserved for emergency use only.

WHAT TO BRING & WEAR

The Shops at Wiregrass is an open-air shopping center. Please watch the weather forecast one to two days before the trip and dress accordingly. Dressing in layers and wearing comfortable walking shoes are strongly recommended.

The group will remain at Wiregrass into the evening for Symphony in Lights. Temperatures may become cooler after sunset, so please bring a sweater or light jacket.

Dining will be on your own. Wiregrass offers a variety of restaurants, cafés, and quick-service options. Please plan for a late lunch, early dinner, or both during your free time and bring cash or a credit card for payment.

If you enjoyed your trip, we kindly encourage you to tip your driver upon returning to Citrus Hills.
