

Right to Life – LIFESPAN Educational Fund
2027 Movement in Motion Youth Bus Trip

Rules of Conduct

For Jr. High and High School Students
Includes 18-year-old high school students

FOR THE DURATION OF THE TRIP, I, _____ (STUDENT’S PRINTED FULL NAME), AGREE TO:

1. Be polite, respectful, and cooperative to my Chaperone, Bus Captains, other Chaperones and fellow students with whom I am traveling as well as people I will meet along the way. In addition, I agree to not engage with anyone trying to harass or disrupt participants in the March for Life.
2. Ask a question when the direction is not clear from my Chaperone or the Bus Captains.
3. Refrain from swearing and/or using inappropriate language and/or gestures and public display of affection (PDA). Also, I agree to refrain from any types of physical harm to others (including but not limited to throwing snowballs, hitting, etc.) and from taking anything that doesn’t belong to me.
4. Stay with my Chaperone and my small group whenever I am off the bus during ALL SCHEDULED ACTIVITIES. **This is important for your safety while on the trip.**
5. Leave “no trace behind” wherever I go—clean up after myself, be respectful of other people’s property, etc.
6. Look out for my fellow travelers and alert my Chaperone if someone is ill, injured, not eating, upset, etc.
7. Keep my cell phone on and charge often during the trip so I can communicate with my Chaperone and others in my group.
8. Turn off my Wi-Fi connection when instructed by Bus Captains when they need the Wi-Fi connection for critical communications.
9. Always wear my *LIFESPAN* hat for identification whenever I am off the bus during ALL SCHEDULED ACTIVITIES. **This is important for group identification.**
10. Not use headphones or I-Pods when off the bus. Polite use of these items will be allowed during the bus ride to and from DC. Polite use means that I will be respectful of those around me and will not be listening to or playing anything too loud or that is offensive.
11. Comply with the designated quiet time at the host church (student/chaperone/parent bus groups) or hotel (adults/families bus group) without complaint. I understand and accept that the length of the quiet time hours could be extended if the Bus Captains feel it is necessary.

IF I DO NOT FOLLOW THESE GUIDELINES, I will be: 1) warned, 2) separated from the group with a phone call home, and 3) not allowed the privilege of coming on a future LIFESPAN bus trip.
