Event Cancellation & Refund Policy

Event Cancellation by MindBodyLogic (MBL)

While we do all in our power to create a successful event, we reserve the right to cancel the course due to low enrollment, inclement weather, or other conditions that would make the event non-viable. If MindBodyLogic (MBL) cancels an event, we will notify registrants using the information provided at the time of registration. Cancellation due to low enrollment would be no later than the 1st week of September, 2019. In the event that MBL cancels an event, full refunds will be provided to the participants. Should circumstances arise that result in the postponement of an event, registrants will have the option to either receive a full refund or transfer registration to the same event at the new, future date. Please use the best contact information when you register so that we may reach you easily with your confirmation or regarding registration updates for your course. We will not use your information for other purposes without your expressed consent.

Note: There are no refunds outside the refund policy for the conference. If a speaker listed on the schedule is unable to attend due to an Act of God, we will do everything in our power to find a replacement for that speaker.

MindBodyLogic (MBL) reserves the right to refuse/cancel registrations. If MBL refuses a registration, registrants will be offered a full refund.

Registration Cancellation by Participant

Cancellations by the participant will incur a \$50 fee per module if more than 14 days prior to event, or \$100 per module if less than 14 days. Late Cancellations (24 hours or less before the course) will not be refunded. Participant may choose to apply fees from a late cancellation to a future Biological Decoding course or arrange to have another person attend in their place.

Registrant Cancellation Notification

Please contact us directly in writing (email is fine) should you need to cancel. Please email drmary@gematria.com

Note: MindBodyLogic does not store credit card information. Any cancellation requests past 90 days of the original credit card transaction will be processed via check or paypal.

Registration and Deposit Payment Option

Event participant is required to register for the event online with MindBodyLogic. Online registration accepts all valid credit cards. Additional information may be required to verify the legal card holder. Participants waive any charge back rights. Tender of payment to MindBodyLogic constitutes acceptance of these terms and conditions.

Registration and Deposit Payment Option – Continued:

By registering on the regfox website through MBL, you may reserve your place in Biological Decoding with a deposit payment. Your complete payment is due on or before September 15, 2019 and will be automatically debited from your card on file on the due date.

Registrants that show at the door without reserving a space will receive a manual if available. If you plan to come at the last minute, please let us know at least 10 days in advance so that we may have materials and space for you. Space is limited.

We encourage trip insurance, refundable rooms and airfare or other transportation options.
