## **Event Cancellation & Refund Policy Dental Decoding Module**

### **Event Cancellation by Mind Body Logic (MBL)**

We reserve the right to cancel the course due to inclement weather, force majeure, or other conditions that would make the event non-viable. If MindBodyLogic (MBL) cancels an event, we will notify registrants using the information provided at the time of registration. Cancellation due to low enrollment would be no later than the 1st week of July, 2019. Other types of cancellation such as a force majeure that are not within our control will be notified as soon as MBL is aware of the situation. We are not anticipating cancellation of this event as it is connected to the Dental Decoding retreat which will not be cancelled. We do our best to make every event viable and we appreciate word of mouth advertising and testimonials.

In the event that MBL cancels Module 1, a full refund of Module 1 course fees received will be provided to the registrants. Refunds for travel, inconvenience and accommodations do not apply. Please consider travel insurance for your trip. If the registrant subsequently decides to cancel the 2019 Retreat as well, then the applicable cancellation policies for the retreat at the time will apply.

Should circumstances arise that result in the postponement of an event, registrants will have the option to either receive a full refund of their payment or transfer registration to the same event at the new, future date.

Please use the best contact information when you register so that we may reach you easily with your confirmation and regarding registration updates for your course. We will not use your information for other purposes without your expressed consent.

MindBodyLogic (MBL) reserves the right to refuse/cancel registrations. If MBL refuses a registration, registrants will be offered a full refund.

### **Registration Cancellation by Participant**

Cancellations by the participant will incur a \$50 administrative fee per module. Late Cancellations (24 hours or less before the course) will not be refunded. Participant may choose to apply fees from a late cancellation to a future Dental Decoding course or have another attend in their place.

Your registration includes a \$50 non-refundable deposit per course that you reserve should you cancel your reservation. This amount, however, can be applied to a future dental decoding course hosted by MindBodyLogic.
