Event Cancellation & Refund Policy

Event Cancellation by MindBodyLogic (MBL)

We reserve the right to cancel the course due to low enrollment, incimate weather, or other conditions that would make the event non-viable. If MindBodyLogic (MBL) cancels an event, we will notify registrants using the information provided at the time of registration. Cancellation due to low enrollment would be no later than the 1st week of March, 2019. In the event that MBL cancels and event, full refunds will be provided to the participants. Should circumstances arise that result in the postponement of an event, registrants will have the option to either receive a full refund or transfer registration to the same event at the new, future date. Please use the best contact information when you register so that we may reach you easily with your confirmation and regarding registration updates for your course. We will not use your information for other purposes without your expressed consent.

MindBodyLogic (MBL) reserves the right to refuse/cancel registrations. If MBL refuses a registration, registrants will be offered a full refund.

Registration Cancellation by Participant

Cancellations by the participant will incur a \$40 fee per module. Refunds of money paid directly to Fabian Brotos will be made by check or through Paypal depending on the timing and mode of original payment. Late Cancellations (24 hours or less before the course) will not be refunded. Participant may choose to apply fees from a late cancellation to a future Dental Decoding course or have another attend in their place.

Your registration constitutes a \$40 non-refundable deposit per course that you reserve should you cancel your reservation. This amount, however, can be applied to a future dental decoding course hosted by MindBodyLogic. Please contact us directly in writing (email is fine) should you need to cancel. Please email drmary@gematria.com
