HELPFUL TIPS

- Your bank account number and routing number can be found on your check. See the example below.
- You can also find your bank's routing number online. Try typing the name of your bank and the words "routing number" into Google.

An example of a check from "John Doe" at "1234 N 5678 W, Anywhere, TT 44555". The check is dated "7243". The payee is "PAY TO THE ORDER OF" and the amount is "\$". The bank is "International Bank" at "4321 S 8765 E, Anywhere, TT 44555". The check includes a "MEMO" field and a "SIGNED" field. At the bottom, the routing number "00 2 1 2 3 4 5 6 7 8" and account number "00 1 2 3 4 5 6 7 8" are shown, with a "7 2 1 3" suffix. Labels "Routing Number" and "Account Number" are placed below the respective numbers.
