AvaSure Symposium FAQ

What is the AvaSure Symposium?
The AvaSure Symposium is an annual gathering of healthcare leaders, clinicians, and innovators focused on the future of virtual care. The event showcases best practices, research, and real-world success stories from organizations leveraging AvaSure's technology to enhance patient safety, optimize staffing, and drive operational excellence. Attendees gain insights from industry experts, participate in interactive discussions, and explore emerging trends in virtual care.

When and where will the AvaSure Symposium take place?
The AvaSure Symposium will be held in Charlotte, NC on September 15-17 at the Marriott City Center Hotel.

Who should attend the AvaSure Symposium?
- **Chief Nursing Officers & Nursing Executives**: Focused on workforce transformation, patient safety, and operational efficiency.
- **Clinical & Operational Leaders**: Driving change within hospitals and health systems through virtual care solutions.
- **AvaSure Customers & Virtual Care Champions**: Sharing best practices, lessons learned, and success stories from real-world implementations.
- **IT & Digital Health Innovators**: Exploring the intersection of technology and patient care to advance virtual care initiatives.
- **Researchers & Policy Experts**: Presenting the latest clinical evidence and regulatory insights shaping virtual care adoption.
- **Strategic Partners & Industry Thought Leaders**: Collaborating to accelerate the future of digital health.

Why attend the AvaSure Symposium?
The AvaSure Symposium offers a unique opportunity to:
- **Learn from Experts**: Hear from thought leaders and organizations successfully implementing virtual care strategies.
- **Network with Peers**: Connect with fellow healthcare professionals to share experiences and insights.
- **Explore Cutting-Edge Research**: Gain access to the latest studies and real-world outcomes in virtual care.
- **Engage in Hands-On Learning**: Participate in interactive sessions, panel discussions, and workshops tailored to your role.
- **Discover Best Practices**: Learn how leading health systems optimize virtual care for improved patient safety and workforce efficiency.

What type of sessions are offered?
The symposium features a diverse mix of session formats, including:
- **Keynote Presentations**: Inspiring talks from industry leaders shaping the future of virtual care.
- **Panel Discussions**: Expert-led conversations on challenges and solutions in digital healthcare.
- **Case Studies & Success Stories**: Real-world applications and outcomes from health systems using AvaSure technology.
- **Interactive Workshops**: Hands-on learning opportunities to deepen knowledge and skillsets.
- **Poster Presentations**: Research and innovation highlights from healthcare professionals and academic institutions.

How do I become a speaker at the AvaSure Symposium?
We welcome speaker proposals from healthcare professionals, industry leaders, and researchers who want to share their experiences and expertise. The call for speakers runs from March–July. If you are interested in speaking or participating, stay updated by visiting the AvaSure Symposium website or reaching out to the AvaSure team for submission details.

How do I submit a poster presentation?
If you have research, quality improvement initiatives, or case studies related to virtual care, you can submit a poster for presentation at the symposium. The call for posters will open alongside speaker submissions. Our customer success team is happy to support your poster – just reach out!

If you have any questions you can reach out to the event team at **symposium@avasure.com**.
