This year NLTAPA will have a service project as part of its national conference schedule. It will occur between 1:30 and 5:00 PM on Monday. We will be helping Mary's Place in Seattle (see www.marysplaceseattle.org).

Mary's Place's mission is to provide safe, inclusive shelter and services that support women, children, and families on their journey out of homelessness. More details about Mary's Place can be found at:

Opportunities to Help

- Join the service project on Monday. Please come help pack cold care kits for Mary's Place throughout the afternoon as you are able. We would like to be able to build at least 100 kits. Be sure to check the Volunteering for the Mary's Place Service Project box on the registration page
- Bring a pair of **new** socks of all sizes. There will be a box for new sock donations at the conference and Mary's Place can always use socks. Please bring them with you and put them in the box for delivery.
- Direct donations can be made out to Keith Knapp. Check with Keith for details. kknapp@iastate.edu
- Additional opportunities may be coming, so be sure to check the NLTAPA Conference page https://nltapa.org/workgroups/conference/ for updates. We will post more details and ways to help as we learn more.

Contact Keith Knapp at kknapp@iastate.edu if you have any questions.

If you would like to participate and/or contribute, and have Keith contact you, please be sure to click the Volunteering for the Mary's Place Service Project box on the registration page: https://natltapassoc.regfox.com/preview/2cfcb73ce6f34e91bba7b151a9a9cd90.
