WWOA Central Section Technical Session and Shrimp Feast

Thursday, December 12th, 2024 - 8:00 AM – 3:15 PM
Glen Burnie Volunteer Fire Company Lodge
1012 Bell Avenue at Pleasant Point Road
Glen Burnie, MD 21060

The WWOA Central Section is thrilled to bring back its annual shrimp feast!

Join fellow members for a **5-hour** operator process class for Wastewater Operators, & Industrial 5 & 7 Operators on Activated Sludge Process Control. The session will be held at the Glen Burnie Volunteer Fire Company Lodge in Glen Burnie, MD. The registration fee for WWOA members is \$35.00 for the training, morning refreshments and shrimp feast lunch – *what a bargain!!* The non-member fee is \$60.00 and includes a one-year WWOA membership. All registrations must be done online.

Technical Session: **Activated Sludge Process Control** (TRE# 7889-24 09 - 5 hrs Process)
Instructor: **Scott Patterson, Jacobs**

Course Description: The class includes information about activated sludge and its complex microbial community utilized in many common versatile treatment technologies. Discussion includes description of different types of aeration tanks and equipment, nitrification and denitrification, BNR/ENR, Microorganisms/Bugs and enough information to help pass the W5A.

Please come out to support your Association and enhance your knowledge!
