Eric's Riverrun is a ~215-mile, all-day driving tour using some of Ohio's most interesting and challenging roads. This year we will go east from Columbus through McConnelsville, Stockport and to Marietta on the Ohio River. There are plenty of food options in Marietta. We'll wind our way back thru Caldwell ([The Wilds](#), [Big Muskie](#)) to finish at [Tom's Ice Cream Bowl](#) in Zanesville. An abbreviated route option for 120 miles (skipping Marietta) is also available.

Cars leave from the [cinema parking lot](#) behind Bob Evans at I-70 and Rt. 256 in Pickerington between 8 and 9 am (1760 Hill Rd N, Pickerington, OH 43147). We should arrive at the Ohio River around Noon and finish by 5 pm., depending on the time spent sightseeing. There is no fixed schedule nor any assigned speeds, other than the posted speed limits. This is a tour rather than a rally. Participants should obey all traffic laws including speed limits. The route includes a mix of open and flowing paved roads that connect tight and twisty sections. There are no freeway sections, and all roads are paved.

The North American MGB Register, the Buckeye Miata Club, the Central Ohio MG Owners, and the Central Ohio British Car Club Council invite all driving enthusiasts, regardless of vehicle make, model, or type, to join us on Eric's Riverrun 2025. Check out the roads at: [Riverrun2025](#)

Please register by August 22nd so that we can e-mail the route instructions to participants before Aug 30th. Eric's Riverrun 2025 Magnets are available for \$20 to those who register in advance for the drive. An additional \$15 donation for the James Cancer Research fund for Lung cancer in Eric's memory is suggested.
