

Eric's Riverrun

Saturday, September 5, 2026

Eric's Riverrun is a ~200 mile, all-day driving tour using some of Ohio's most interesting and challenging roads. This year we will go south through the Hocking Hills & down to Pomeroy on the Ohio river. After lunch at one of the nearby restaurant options or the park by the river, we'll wind our way back north to end at Tom's Ice Cream in Zanesville. There will also be a ~120 mile route passing thru Nelsonville and ending at Tom's for those who desire a mini driving adventure.

Cars leave the [parking lot behind](#) Bob Evans at SR 674 (Gender Rd.) & US 33 (Canal Winchester), between 8 and 9 am. We should be at the Ohio River around Noon and finish by 5 pm, depending on the time spent sightseeing. There is no fixed schedule nor any assigned speeds, other than the posted speed limits. This is a tour rather than a rally. The route includes a mix of open and flowing paved roads that connect tight and twisty sections. There are no freeway sections and all roads are paved.

The Central Ohio MG Owners, the Mid-Ohio Austin Healey Club, the North American MGB Register, the Buckeye Miata Club, and the Central Ohio British Car Club Council invite all driving enthusiasts, regardless of vehicle make, model, or type, to join us on Eric's Riverrun 2026. Please register by August 27th so that we can e-mail the route instructions to participants before Sept 1st. Eric's Riverrun 2026 Magnets are available for \$20 to those who register in advance for the drive. An additional \$15 donation for the James Cancer Research fund for Lung cancer in Eric's memory is suggested.

Registration is online: [Riverrun2026 Registration](#)
