

12-lead ECG Interpretation – Practical Clinical Skills

Friday, January 6, 2022

7:30 Registration/coffee

7:50 Announcements/introductions

8:00 Components of ECG tracings: measurement, intervals, rate/rhythm, axis

9:00 *Hands-on practice*

9:30 Break

9:45 Intervals/chamber enlargement /conduction abnormalities

11:30 *Hands-on practice/Case Studies*

12:15 Lunch

1:00 ST and T wave segments

2:00 *Hands-on practice/Case Studies*

2:45 Break

3:00 Myocardial infarction

4:00 *Hands-on practice/Case Studies*

4:45 Adjourn

Learning Outcomes

Upon completion of this workshop, the learner will be able to:

- Systematically approach interpretation of 12 lead ECG
- Review how to assess for axis deviation and describe causes
- Discuss chamber enlargement and list important ECG criteria

Continuing Education Credit Information

Nursing (NCPD Credit)

The University of Colorado College of Nursing is approved with distinction as a provider of nursing continuing professional development by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This offering for a total of **7.5 contact hours** is provided by the University of Colorado College of Nursing Office of Continuing Education.

Medical (CME credit)

Medical (AAFP Credit):

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

Requirements for Verification of Successful completion include:

- Participants must sign-in to receive credit and verify their email addresses are current on the sign-in sheet.
- Completion of a minimum of 80% of the program is required to receive contact hour credit.
- Participants are required to submit a course evaluation in exchange for a certificate.
- Professionals are expected to claim credit commensurate with their level of participation in this activity.

Certificates: All participants will be issued a certificate by e-mail within 30 days of end of program.

Disclosure statement:

The nurse planner, planning committee members, content experts and faculty have no relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
