Lunch at Jack Stack 1:30-2:45 PM (4747 Wyandotte St, Kansas City, MO 64112)

We start this 5-mile adventure with lunch at the famous Jack Stack BBQ. Following lunch, we'll experience Union Station and then trek up the hill to Liberty Memorial to see what we'll cover. We'll experience the Crossroads Art District and move into the architecturally and culturally diverse neighborhood of the Westside and glimpse the confluence of the Kansas and Missouri Rivers. While we enter a couple of historical buildings, we are mostly outside. We observe intricately painted murals and street art. We walk atop bridges and below underpasses, experience nature and rich historical buildings of downtown. You'll get a work out and see a new side of Kansas City.

*\*The cost of lunch is not included. This hike is over 10,000 steps and requires physical stamina and is not recommended for anyone with heart problems.*
