

PARENTAL PERMISSION SLIP

Your son or daughter will have a great experience as an intern with Protect Life Michigan!

By allowing your son or daughter to intern with us, you agree to pick him or her up if these rules are violated. If you have any questions about rules, travel arrangements, or the program content, please call Christen Pollo at 517-250-1598.

Rules:

1. Professional & Ethical conduct is expected of students for the entire duration of the internship. If students fail to meet these standards, they will be dismissed from the internship program.
2. Minors must attend all aspects of in-person programming during internship hours.
3. Parents should be aware that students will engage in community outreach where they will have conversations about abortion, and that there will be use of Abortion Victim Photography during some of these outreaches.
4. Minors may not leave the program facility without the permission of our staff.
5. Interns must have reliable transportation to and from internship programs.

I, _____, hereby grant permission for my child, _____, to intern with Protect Life Michigan from June 19 - August 8. I grant this child permission to travel to and from programs and events with other interns or PLM staff members.
