

2026 Tampa Bay National Day of Prayer Brunch

FaithTalk Tampa is honored to announce that we will host the **33rd Annual Tampa Bay National Day of Prayer Brunch** on **Thursday, May 7, 2026**, at the iconic **Armature Works** in Tampa. For more than three decades, this event has served as a unifying moment for believers across the Tampa Bay region—bringing together faith leaders, civic leaders, first responders, and community members to seek God together on behalf of our nation and those who serve it.

**SEEKING HIM
IN ALL GENERATIONS**

*"Tell of His glory
among the nations,
His wonderful deeds among
all the peoples."
1 Chronicles 16:24*

**The 75th Annual
National Day
of Prayer
May 7, 2026
Washington D.C.**

*National Day of Prayer
Task Force President*

**33rd Annual
Tampa Bay
National Day of
Prayer Brunch
May 7, 2026
Tampa FL**

Produced By
Faith Talk Tampa

In a time marked by division, uncertainty, and rapid cultural change, the Tampa Bay National Day of Prayer Brunch remains a vital and steady reminder that prayer is not symbolic—it is foundational. Each year, this gathering creates sacred space for corporate prayer over the key spheres that shape our society, including government, public safety, education, business, media, and families. The impact of this morning extends far beyond the walls of the venue, strengthening our community through unity, humility, and faith.

The 2026 theme, **"Seeking Him in All Generations,"** is drawn from *1 Chronicles 16:24*: *"Tell of His glory among the nations, His wonderful deeds among all the peoples."* This theme calls us to intentionally pursue God together—honoring the legacy of faith that has sustained previous generations while boldly passing that testimony on to those who follow.

We are also honored to welcome **Kelvin Cochran**, former Fire Chief of Atlanta, as our keynote speaker. Chief Cochran is a nationally respected leader whose life and career reflect courage, integrity, and unwavering faith. His message will encourage attendees to lead with conviction, serve with humility, and trust God's purpose even in challenging times.

This important gathering is made possible through the generosity of our **Patrons and Underwriters**. Your financial partnership allows us to host civic and community leaders, provide a first-class program, and preserve this long-standing tradition of prayer and unity in Tampa Bay. More than a sponsorship, underwriting this event is an investment in the spiritual health of our community and the leaders who shape its future.

We invite you to prayerfully consider partnering with us as an underwriter for the 2026 Tampa Bay National Day of Prayer Brunch. Enclosed you will find sponsorship opportunities outlining ways you can support this impactful event. I would be honored to personally discuss how your involvement can make a meaningful difference.

Should you have any questions or wish to confirm your participation, please contact our event coordinator Zuli Rodriguez at **813-349-8238**. Thank you for standing with us and for your continued commitment to faith, leadership, and community.

With gratitude and blessings,

Carolyn Cassidy
