

## League Format & General Guidelines

- SSB Winter/Spring Basketball League begins Saturday, March 5, 2022 and ends Saturday, May 21, 2022. There will be 11 afternoon sessions of league activities, which includes games, team practices, and a potential all-star weekend and/or playoffs depending on the amount of registrants we receive. There may also be a commencement ceremony with a presentation of awards.
- The format of this co-ed league will be 5-on-5 with referees, scoreboards, and a timer. There will be two divisions: one for 8-10 year olds and another for 11-13 year olds. We may be willing to make an exception if your child falls outside of the age range depending on your child's skill level and physical stature.
- All games, team practices, and other league activities will be held Saturday afternoons between 2:00pm - 4:30pm. Team practices and games during the league season will typically be about one hour in duration.
- An initial tryout will be held on opening day (Saturday, March 5, 2022) to assess your student's abilities and place your student(s) into teams. Team rosters and schedule of games and team practices will be distributed after this tryout.
- Location of league games and team practices will be held at Thornton Junior High School in Fremont, California.
- To ensure quality and fair competition, we reserve the right to withdraw your student's registration from the league if we feel your student does not meet the minimum criteria to participate or exhibits non-sportsman-like conduct.
- **League Registration Deadline: 12pm Friday, February 25, 2022.**
- **In order for your child to participate in this league, he or she must be registered in at least one weekly class before Saturday, March 5, 2022.** Please go to <https://ssbbasketball.com/registration/> to enroll your student in classes if they are not already enrolled. We want to ensure that all of the participants in this league have a good foundation of fundamentals in order to be competitive and have a great time.
- **Pricing:**
  - **\$475** for SSB Winter/Spring Basketball League (before any discounts). This includes:
    - 11 afternoon sessions of league activity (games, team practices, etc.)
    - 1 reversible SSB uniform (\$55 value)
    - Potential prizes and awards

- o Please note that if we feel your student does not qualify to participate in the league after the initial tryout on Saturday, March 5, we will notify you and refund your purchase back to your account.
