

2025 Mountain Regional Meeting Tour of I.S.C.C Prison Facility Thursday May 29, 2025

As part of the Society of St. Vincent de Paul Mountain Regional Meeting, attendees will have the unique opportunity to tour the Idaho State Correctional Center on Thursday, May 29, 2025, from 1:30 to 4:00 PM. This tour offers a rare inside look at daily life within the facility, including housing units, educational and vocational training programs, and rehabilitation services designed to support incarcerated individuals. Participants will gain firsthand insight into the challenges of incarceration, the efforts to prepare individuals for reintegration, and the role of correctional staff and SVdP Reentry teams in maintaining resident's success and rehabilitation. The tour will also highlight the impactful work SVdP does within the Idaho State Correctional Center, including our educational programs and dedicated office space where we meet one-on-one with residents to support their transition. Attendees will witness meaningful interactions between staff, volunteers, and residents, emphasizing how deeply valued our work is by those striving for a fresh start. This experience will showcase the strong relationships SVdP has built within the facility and the significant impact our programs have in reducing recidivism and promoting successful reintegration into society.
