Mandates and recommendations from county, state, and federal public health offices may change our ability to follow our limited opening plan. Despite ongoing cleaning and sanitizing protocols, we cannot control all circumstances.

The Garden is open rain or shine. Red Flag Warning days may trigger mandatory closure to SBBG visitors and staff. Red Flag Warnings are called by fire officials of the County of Santa Barbara.

Cancellation Policy: If you must cancel registration, refunds are granted upon request up to five business days before the class begins, less a \$5.00 handling charge. If the Garden cancels a class for any reason, a refund for the amount of the class (less the optional processing fee) will be given to all registrants. Refunds may require four weeks for processing.
