34TH National Conference on WILDERNESS MEDICINE

BIG SKY - FEBRUARY 23-27, 2019

Big Sky is the western skiing experience you've dreamed about: unbridled adventure, abundant snow, uncrowded terrain, ski-in and ski-out lodging and a natural friendliness that comes from small-town life in this corner of the Rockies. Big Sky is known for short lift lines, and two mountains of blissful terrain - sure to please everyone from the beginner to the fast and fearless.

- The "Biggest Skiing in America," Big Sky gives you access to more skiing and total vertical feet than anywhere in the United States.
- Famous for short or non-existent lift lines and uncrowded slopes.
- State-of-the-art lifts including a high speed, six-person, heated chair.
- Above-tree-line skiing gives Big Sky a European flavor accentuated by a breathtaking tram to the summit of Lone Peak (non-skiers welcome).

WINTER TOUR OF YELLOWSTONE

Join us...
for a visit to this wonderful national treasure in "the best" season. Our nation's largest park is a sight to behold in the winter. View the majesty of Yellowstone park on either a snowcoach, guided snowmobile or cross country skis. Tours can be booked with Rendezvous Snowmobile Rentals (information available at wilderness-medicine.com)

Old Faithful's beauty is enhanced by clear winter skies

PROGRAM OBJECTIVES

- 1) Identify prevention and treatment of altitude illness based on an understanding of the underlying physiology
- 2) Recognize and properly manage frostbite in the field
- 3) Identify and treat hypothermia in the field
- 4) Identify fracture and dislocation in the wilderness.
- 5) Identify the pathophysiology, and treatment of heat related illness

Target Audience:

Primary care physicians, nurses, physician assistants, and other health care providers who might encounter patients in remote settings or who may treat patients that develop medical problems after visiting remote areas. No outside commercial support has been received for this activity.

CHILDREN'S & TEEN'S EDUCATIONAL PROGRAM

Our wilderness education program for children is nationally acclaimed and classes fill quickly. Please register early!

SURVIVAL FOR KIDS: Workshops are interactive and use a wilderness education theme to give children a positive, fun and rewarding experience. Children learn how to avoid getting lost, how to signal for help, how to spend a survival night out and how to stay warm. They practice building igloos, snowcaves, and other improvised shelters. (Ages 6-11); **Saturday, February 23, Sunday, February 24, or Tuesday, February 26, 8:30 - 11:30 am \$70**

SURVIVAL FOR TEENS: This course is designed to teach young adventurers how to navigate safely and avoid getting lost in the backcountry, how to build improvised shelters and fires, find food, and survive the unexpected night out. (Ages 12 and up) **Saturday, February 23, 1:00 - 4:00 pm or Monday, February 25, 8:30 - 11:30 am \$70**

ADVANCED WILDERNESS SURVIVAL FOR TEENS: (Pre-requisite SURVIVAL FOR TEENS), This class is a survival immersion exercise offered to teens who have completed the regular Wilderness Survival for Teens course. Participants will simulate a real survival scenario, build improvised tools, create livable shelter, and find food and water. (Ages 12 and up)

Tuesday, February 26, 1:30 - 4:30 pm \$70

WILDERNESS FIRST AID FOR KIDS: Children can make a difference or even save a life if they know first aid. This course will teach children to recognize and to manage common medical problems and emergencies. Tuition includes a first aid kit designed for children and course certificate. (Ages 7-11); **Sunday, February 24, 8:30 - 11:30 am \$75**

WILDERNESS FIRST AID FOR TEENS: This exciting, hands-on course is designed to teach young adults how to take care of themselves and others in an emergency. Demonstrations and field exercises emphasize how to use improvised techniques and materials at hand. Tuition includes a first aid kit and course certificate. (Ages 12 and up);

Tuesday, February 26, 8:30 - 12:30 pm \$80

Escape the Kids: Take advantage of Lone Peak Playhouse, a childcare facility at Big Sky Resort. 406-993-2220.

Let the Kids Escape You: Big Sky offers an array of children's activities ranging from ski schools to dog rescue demonstrations, to regular evening movies. *And kids 10 and under ski free!*

Children and Teens learn how to construct igloos, snow caves and other improvised shelters

RECREATION AT BIG SKY

Cross-country skiing is fantastic at Big Sky and nearby Yellowstone

Ski Lift Tickets: Discounted Ski Lift Tickets: Single and multi-day discounted lift tickets can be purchased online at wilderness-medicine.com. Single day discounted lift tickets may also be purchased onsite. Kids 10 and under ski free with a paying adult.

Cross-Country Skiing: Fantastic at nearby Lone Mountain Ranch (an award winning Nordic center), and at Yellowstone National Park. Equipment rentals are available. Call Lone Mountain Ranch at 800-514-4644.

Snowmobile Packages: Full day, self-guided excursions near Yellowstone National Park, including a complete clothing package. Call Rendezvous at 800-426-7669.

Guided Backcountry Skiing: Ski with qualified guides down open bowls, steep and deep powder, or a variety of runs that best suit your group's skiing style. Montana Backcountry Adventures. 406-995-3880.

Ice Climbing: Montana Alpine Guides. 406-586-8430.

Dog Sledding: Sled dog tours are offered twice daily in beautiful Moonlight Basin. Spirit of the North Sled Dog Tours 406-995-3424.

Sleigh Ride Dinners: A horse-drawn sleigh ride through the snow covered mountains is an unforgettable pleasure. Call Lone Mountain Ranch at 406-995-4644.

LODGING – SPECIAL RATES

A wide selection of hotel rooms and condominiums have been reserved for conference participants. A sampling of accommodations is listed below. Take advantage of conference discounts by making reservations online through our website at Wilderness-Medicine.com or call Big Sky Resort directly at 800-548-4486 and reference "wildernessmedicine."

Huntley Lodge is located at the base of Lone Mountain and is connected to the conference center. There is an elegant dining room, Chet's Bar, outdoor heated pool, Jacuzzi, saunas, game room, and guest laundry. Rates start at \$170.

Shoshone Condominiums - Deluxe condominiums connected to the conference center. Suites start at \$332.

Bighorn & Stillwater Condominiums – One, two and three bedrooms, that are a five-minute walk to the conference center. Bighorn rates start at \$216/night and Stillwater rates start at \$153/night

Beaverhead Condominiums - These ski-in/ski-out units offer three and four bedrooms, available hot tubs and are within a five-minute walk to the conference center. Rates start at \$643.

Summit Hotel / Condominium – Big Sky's finest ski-in/ski-out accommodations, with rooms ranging from hotel and studio to 3-bedroom condominium suites. Rates start at \$206.

Village Center Suites – New ski in/ski out lodge offering studio, 1-bedroom and 2-bedroom units. Rates start at \$196.

Whitewater Inn – Hotel rooms 20-minute drive from the ski area. Rates start at \$106.

REGISTER ONLINE AT WILDERNESS-MEDICINE.COM OR CALL 844-945-3263

ADVANCED CERTIFICATION COURSE

Advanced Wilderness & Expedition Provider

AWEP Certification

(Participants receive 15.5 additional CME credits)

Advanced level intensive and hands-on training taught by leaders in Wilderness Medicine including, Howard Donner, MD, Eric Weiss, MD, and Sheryl Olson, RN/BSN. Students will learn practical techniques and practice them in mock scenarios. Successful completion of course leads to AWEP Certification.

Sat, 7:30 am - 4:00 pm

Sun, 12:45 - 4:00 pm

Mon, 12:45 - 4:00 pm

Tues, 12:15 - 3:30 pm

Course tuition: \$495

AWEP Certification is good for 4 years and is the highest wilderness medicine certification offered.

(Includes 15.5 additional AMA PRA Category 1 Credit(s)[™]
all supplies, syllabus, breakfast, and certificate)

THE THAI CAVE & CONFINED SPACE RESCUE

Cave and other confined spaces are some of the most challenging environments for rescuers. Two-thirds of all deaths occurring in confined spaces are attributed to persons attempting to rescue someone else. US Navy Seal expert in confined space and dive rescue, who has worked with the Thai Navy SEALs, will discuss the training, special equipment and operational challenges needed to accomplish these difficult rescues and survive in a subterranean environment.

Wednesday, February 27, 2019

SPECIAL PRESENTATION BY DAVID BREASHEARS

Climbers approach the summit of Everest as the deadly storm rolls in.

Tuesday, February 26, 2019

David Breashears

EVEREST: INTO THE DEATH ZONE

In a riveting, multimedia presentation, world-class filmmaker, adventurer and mountaineer, David Breashears, chronicles the events surrounding the 1996 Everest IMAX Filming Expedition. In addition to breathtaking images of the IMAX filming and climbing of Everest, the show will also present the IMAX team's involvement in the infamous 1996 tragedy, including the rescue and helicopter evacuation of Dr. Beck Weathers.

WILDERNESS ULTRASOUND CERTIFICATION

Pocket size ultrasound is redefining the physical exam and can assist in the diagnosis of many conditions. Ultrasound is now becoming the standard of care in wilderness and other austere environments. Applications taught include:

- Trauma, Shock & Hypotension
- Abdominal & Pelvic Pathology
- Pneumothorax & Pericardial Effusion
- Musculoskeletal Injuries
- Pulmonary Embolus
- Ultrasound Assisted Procedures

Includes didactic lectures and small group hands-on practice with state-of-the-art machines and teaching aids.

Date/Time: Monday, February 25, 12:00pm - 4:00pm

Tuition: \$295 (Includes 4 additional AMA PRA Category 1 Credit(s)[™], all supplies, syllabus and course certificate)

Course Director: Teresa S. Wu, MD

REGISTER ONLINE AT WILDERNESS-MEDICINE.COM OR CALL 844-945-3263

SPECIAL PRE-CONFERENCE WORKSHOP

*Learn to build igloos
and other snow
shelters*

Wilderness and Urban Survival

Saturday, February 23, 8:00 am – 4:00 pm \$135

A unique opportunity to learn and practice both basic and advanced survival skills from a Navy Seal Instructor and other renowned survival experts who train our elite Special Forces. This all day “hands-on” workshop is a practical and fun, skill building experience, designed to prepare you to survive on land, in the sea, in the wilderness and urban environments. Participants will learn how to:

- Signal and be found
- Obtain food and water
- Build fires with primitive tools
- Escape a hotel fire
- Construct & improvise survival kits
- Survive a plane crash
- Protect yourself during a disaster
- Travel safely in developing countries and avoid being “ripped off”
- Find and construct emergency shelters (build snow caves and igloos)
- Recognize and evade terrorists

THE PROGRAM

Saturday, February 23, 2019

- 2:00-6:30 pm Registration In Huntley Lodge**
- 4:00 pm Wilderness Medicine: Setting the Stage**
Eric A. Weiss, MD
- 4:15 pm Mountain Search & Rescue**
Lanny Johnson, FNPIPA
- 5:00 pm Ear, Nose & Throat Emergencies in the Backcountry**
Teresa Wu, MD
- 5:45 pm Arthropod Envenomation: Spiders, Scorpions, Bees & Ants**
Timothy B. Erickson, MD
- 6:35 pm Welcome Reception** (*Guests welcome*)
Music, Cocktails and Refreshments!

Sunday, February 24, 2019

*“Extraordinary
conference... most
enjoyable learning
experience I have ever
encountered.”*

Joseph Easley, MD

- 7:00 am Late Registration/Cont. Breakfast/Exhibits**
- 7:30 am Surviving the Unexpected Night Out**
Gary Kibbee
- 8:20 am Travel Medicine Illnesses: Dengue, Malaria, Typhoid, Chikungunya, Zika**
Michael J. VanRooyen, MD
- 9:10 am Lyme & Other Tic-Borne Illnesses**
Timothy B. Erickson, MD
- 9:50 am Adjourn – FREE TIME – Enjoy skiing Big Sky or attend an optional workshop**
- 4:15 pm Shark Attacks & Hazardous Marine Life**
Karen Van Hoesen, MD
- 5:05 pm Snake Envenomation**
Timothy B. Erickson, MD
- 5:55 pm Diving Medicine: Update on Prevention & Treatment**
Karen Van Hoesen, MD
- 6:40 pm Adjourn**
- 8:00 pm Medical-Legal Issues in Wilderness Medicine: Avoiding Lawsuits**
Valerie Dobiesz, MD
- 8:45 pm Avalanche Recognition, Safety & Rescue**
Lanny Johnson, FNPIPA

THE PROGRAM

Monday, February 25, 2019

"The conference is just teeming with great speakers... Magnificently exciting talks... just a perfect balance of business and fun"

Carol Ferris, MD, (EM)

- 7:00 am Continental Breakfast/Exhibits
- 7:30 am Environmental Heat Emergencies
Eric A. Weiss, MD
- 8:10 am Altitude Illness: Prevention & Treatment
Howard Donner, MD
- 9:00 am Preparing for Foreign Travel: Immunizations, Malaria Prevention, Repellents, & Safety
Michael J. VanRooyen, MD
- 9:45 am Adjourn – FREE TIME – Enjoy skiing Big Sky or attend an optional workshop
- 4:15 pm Expedition, Travel & Backcountry Medical Kits
Howard Donner, MD
- 5:05 pm Hypothermia: New Guidelines & Recommendations
Eric A. Weiss, MD
- 5:50 pm Backcountry Dentistry: Tricks of the Trade!
Henry Herrmann, DDS
- 6:35 pm Adjourn
- 8:00 pm Critical Care & Pain Management in the Wilderness
Bernard W. Dannenberg, MD
- 8:45 pm Flood & River Rescue, White Water Medicine & Safety
Kyle Allred, PA-C

Tuesday, February 26, 2019

"Fabulous meeting... the morning sessions were outstanding and the evening programs were unforgettable!"

Michael S. Harris, MD

- 7:00 am Continental Breakfast/Exhibits
- 7:30 am Improvised Trauma Care in Austere Environments
Eric A. Weiss, MD
- 8:15 am Frostbite & Cold Injury Prevention & Treatment
Howard Donner, MD
- 9:00 am Backcountry Water Disinfection & Purification
Howard Donner, MD
- 9:45 am Adjourn – FREE TIME – Enjoy skiing Big Sky or attend an optional workshop
- 3:45 pm Traveler's Diarrhea, Giardia & Other Waterborne Infections
Eric A. Weiss, MD
- 4:15 pm Fracture & Dislocation Management In The Backcountry
Joseph B. Serra, MD
- 5:15 pm Adjourn
- 7:15 pm Banquet*
- 7:45 pm **Special Evening Keynote Presentation**
(open to all registrants)
Everest – Into the Death Zone
David Breashears

*Note: Times, topics and speakers may vary somewhat from published brochure and syllabus. * Banquet is optional. Tickets are \$55.*

WORKSHOPS & CONCURRENT SESSIONS

Wednesday, February 27, 2019

8:00am – 12:00pm. Participants may attend 4 different workshops of their choice (one hour each - listed below). The workshops below are included in your course tuition and do not require pre-registration.

1 FRACTURE, SPRAINS & DISLOCATION MANAGEMENT: Methods for recognizing, reducing, and splinting fractures and dislocations in the backcountry will be demonstrated. *Joseph B. Serra, MD*

2 SURVIVAL STRATEGIES FOR THE ADVENTURE TRAVELER: Learn how to protect yourself and stay safe while traveling. Covers what to do if you're caught in a fire, disaster, or hijacked airplane, and what precautions to take when you're away from home. *Philip White*

3 TAKING CHILDREN SAFELY INTO THE WILDERNESS: Covers common medical issues for children in backcountry/foreign travel. Learn how to maximize enjoyment, appreciation, and safety on family wilderness trips from a pediatric & emergency wilderness expert. *Bernard W. Dannenberg, MD*

4 PRACTICAL EVACUATION, IMPROVISED SPLINTING AND TRANSPORTATION SKILLS: Participants will practice utilizing improvised and specialized rescue equipment to stabilize and transport trauma victims. *Howard Donner, MD*

5 LIGHTNING PREVENTION & INJURIES: Lightning is not only spectacular, it's dangerous. Many myths and misconceptions exist about lightning. Learn how to lessen your chances of being struck and how to treat lightning injuries. *Sheryl Olson, RN*

6 "IS THERE A DOCTOR ON BOARD?" – MEDICAL CARE AT 30,000 FEET: Medical considerations if you are called as a health care provider to assist a passenger on a commercial air flight. *Howard Donner, MD*

7 BLISTER PREVENTION & TREATMENT: This workshop will discuss strategies for avoiding blisters and state-of-the-art products and techniques for managing one of the most common ailments on hiking and backpacking trips. *Kyle Allred, PA-C*

8 WILDERNESS WISDOM FOR WOMEN: In the backcountry, women often have different needs and concerns than men. This workshop will address topics such as packing light, personal safety, and other unique needs of a woman traveling in the wilderness or a foreign country. *Sheryl Olson, RN*

9 OCEAN SAFETY & SURVIVAL: Survival at sea requires a set of skills and equipment often not familiar to the land based survivalist. This presentation looks at a spectrum of sea survival situations. Preparation and equipment specific to sea survival are discussed. *Sheryl Olson, RN*

10 DIVING SAFETY AND RESCUE: A US Navy Seal discusses innovative diving equipment, safety devices and advanced techniques for avoiding and treating diving related accidents. *Gary Kibbee*

OPTIONAL "HANDS-ON" WORKSHOPS

PRE-REGISTRATION REQUIRED & CLASS SIZE IS LIMITED. The optional workshops listed below are offered in conjunction with the conference to enhance your experience. Please note that these workshops are separate from the course workshops which are included with your tuition on Wednesday, February 27th.

WINTER WILDERNESS SURVIVAL: This class is a hands-on skill building experience. It covers the most vital aspects of winter survival. A variety of man-made and natural fire starting techniques will be taught and practiced. Participants will learn how to obtain food and water and go outside to construct snow caves and igloos. **Sunday, February 24 or Tuesday, February 26, 1:00 - 4:00 pm.** Faculty: *Gary Kibbee*. \$75

URBAN & TRAVEL SURVIVAL: You have just lost all of your belongings and your passport in an earthquake or act of terrorism. Your hotel was destroyed and your companion is missing. Few Americans are prepared to cope with this type of crisis. Urban and travel survival can be more challenging than survival in the backcountry. Learn how to travel safely and protect yourself.

Monday, February 25, 1:00 - 4:00 pm. Faculty: *Gary Kibbee and Philip White*. \$75

MAP AND COMPASS NAVIGATION: Learn how to read a topographic map, plan and follow a route using compass headings. This classroom and field session will teach you the fundamentals necessary for map and compass navigation skills. Maps and use of compass provided.

Sunday, February 24, 10:00 am - 12:30 pm. Faculty: *Sheryl Olson RN/BSN*. \$70

GPS NAVIGATION FOR WILDERNESS ADVENTURE: Advance your navigation skills into the world of satellite technology! A GPS is provided and you will learn how to mark waypoints, build routes, retrace your route plus much more. You will learn to input and extrapolate data from your GPS to aid in all navigational needs. All equipment provided. **Monday, February 25, 10:00 am - 12:45 pm.** Faculty: *Sheryl Olson, RN/BSN*. \$70

BACKCOUNTRY DENTISTRY: TRICKS OF THE TRADE: A unique opportunity to learn and practice techniques for treating common dental emergencies. Topics include: replacing lost teeth, applying temporary fillings, repairing crowns, managing dental and gum trauma, treating dental infections, extractions and more. **Monday, February 25, 2:00 - 4:00 pm.** Faculty: *Henry Herrmann, DDS*. \$70 (Includes all materials and Cavit® for your first aid kit.)

ROPES & KNOTS FOR WILDERNESS MEDICINE & RESCUE: This workshop will teach you how to use ropes and tie knots for high angle rescue, swift water rescue, and improvised medical care. **Tuesday, February 26, 10:00 - 12:00 pm.** Faculty: *Sheryl Olson RN/BSN*. \$50

PRACTICAL SPLINTING SKILLS: Learn techniques for immobilizing fractures and severe sprains using SAM splints (you will receive a SAM Splint to practice with and keep) and other improvised devices. **Tuesday, February 26, 2:00 - 3:30 pm.** Faculty: *Kyle Allred, PA-C*. \$50.

FACULTY

ERICA A. WEISS, MD, FACEP: Professor of Emergency Medicine (Emeritus), Stanford University School of Medicine, Founder and former Director, Stanford University Wilderness Medicine Fellowship; Author of *A Comprehensive Guide to Wilderness and Travel Medicine* and Editor of *Wilderness & Environmental Medicine in the 2017 Clinics of North America*.

TIMOTHY B. ERICKSON, MD, FACEP, FACMT, FAACT: Chief, Division of Medical Toxicology, Department of Emergency Medicine, Brigham & Women's Hospital and Harvard Medical School. Core faculty, Harvard Humanitarian Initiative; Founder and former Director of the UIC Center for Global Health, Boston, MA.

TERESA WU, MD, FACEP: Associate Professor of Emergency Medicine, University of Arizona College of Medicine, Director, Point of Care Ultrasound Program & Fellowship and Simulation Educators Program, Banner University Medical Center, Phoenix, AZ.

JOSEPH B. SERRA, MD: Founding Member of the Wilderness Medical Society; Orthopedic Surgeon, Stockton, California, 25 year member, National Ski Patrol, Orthopedic Surgeon, Rotary International to Africa.

BERNARD W. DANNENBERG, MD, FAAP, FACEP: Clinical Professor of Emergency Medicine, Director, Pediatric Emergency Medicine and Pediatric Emergency Department, Stanford University School of Medicine and Lucille Packard Children's Hospital.

LANNY JOHNSON, FNP/PA: Physician Assistant, Jackson Hole, Wyoming; Medical Advisor and former Climbing Park Ranger and Park Paramedic, Grand Teton National Park, Wyoming.

SHERYL OLSON, RN, BSN: Outdoor Survival and Navigation Instructor, Flight Nurse, Wilderness Safety Instructor, Cruise Ship Nurse, Colorado Springs, Colorado.

PHILIP WHITE: Fire Chief (retired), South San Francisco Fire Department; Senior Fire Instructor and Instructor of Heavy Rescue (building collapse); Hazardous Materials specialist; CBRNE Project Manager, Bay Area Urban Security Initiative.

MICHAEL J. VANROOYEN, MD, MPH, FACEP: Professor, Harvard Medical School and Harvard School of Public Health; Chairman, Department of Emergency Medicine, Brigham and Women's Hospital; The Lavine Professor of humanitarian Studies, Harvard TH Chan School of Public Health; Director, Harvard Humanitarian Initiative.

VALERIE DOBIESZ, MD, MPH, FACEP: Director of Internal Programs, Neil and Elise Wallace STRATUS Center for Medical Simulation, Director of Women's Leadership Initiative, Brigham & Women's Hospital and Harvard Medical School; Faculty, Harvard Humanitarian Initiative, Boston, MA.

HOWARD J. DONNER, MD: Filmmaker/Physician/Guide, Member 1997 Nova Everest Expedition; NASA consultant; expedition physician, 1988 American Kangchenjunga Expedition; Medical Officer, Denali Medical Research Project; Certified Flight Instructor, Founding Co-Author of, *Field Guide to Wilderness Medicine*.

KAREN B. VAN HOESEN, MD, FACEP: Professor of Emergency Medicine, Director, UCSD Diving Medicine Center and Dive Medicine Fellowship, University of California San Diego School of Medicine, San Diego, CA.

HENRY HERRMANN, DMD, FAGD: Dentist, Falls Church, Virginia; Author of *Wilderness Dental Emergencies, in Wilderness Medicine*; Dentist for US Olympic Kayak Team.

KYLE ALLRED, PA-C: Professional expedition and whitewater guide; Has guided extensively on five continents; Wilderness survival instructor; Co-founder of MedCram.com and MedWild.com.

GARY KIBBEE: Navy Seal; Special Forces Survival Instructor; swiftwater rescue, high angle rescue, and dive rescue instructor; specialist in tactical and wilderness medicine, escape and evasion, and confined space rescue.

DAVID BREASHEARS: World-renowned filmmaker, adventurer, and mountaineer who summited Everest five times and produced the IMAX film *Everest: Mountain Without Mercy*; produced and directed the documentary *Storm Over Everest*; Founder and Executive Director of GlacierWorks.

AVALANCHE WORKSHOP

AVALANCHE RECOGNITION, ROUTE FINDING & RESCUE: This exciting workshop is a must for the winter backcountry enthusiast. Mountain snow pack, forecasting, terrain analysis, stability evaluation, slab recognition, and backcountry rescue will be covered. Participants will be on skis and must be at least an intermediate skier. **Sunday, February 24, 12:00 am - 3:30 pm.**

Faculty: Lanny Johnson, FNP/PA. \$70 (Lift tickets not included.)

CME ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Center for Emergency Medical Education (CEME) and Wilderness and Travel Medicine, LLC. The Center for Emergency Medical Education (CEME) is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation: The Center for Emergency Medical Education (CEME) designates this live activity for a maximum of 43.5 AMA PRA Category 1 Credits™. Main conference earns 24 credits; Optional AWEP course earns 15.5 credits and Optional Ultrasound course earns 4 credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity is anticipated to offer up to 43.5 hours of AOA Category 2-A CME credit, pending approval by the AOA.

Disclosure: It is the policy of Center for Emergency Medical Education (CEME) to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational activities, and that all contributors present information in an objective, unbiased manner without endorsement or criticism of specific products or services and that the relationships that contributors disclose will not influence their contributions. Those in a position to control the content of this educational activity are required to disclose to learners all relevant financial relationships with any commercial interests prior to the beginning of the educational activity.

Resolution of Conflicts of Interest: In accordance with the ACCME Standards for Commercial Support of CME, the Center for Emergency Medical Education implemented mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

AAFP/ACEP: Application for CME credit has been filed with the American Academy of Family Physicians and with the American College of Emergency Physicians. Determination of credit is pending.

Nurse Credit: Under the new BRN guidelines, this course is also accredited for up to 43.5 hours of nursing credit.

Physician Assistants: The American Association of Physician Assistants accepts Category 1 CME approval from organizations accredited by the ACCME.

TRAVELING TO BIG SKY

With excellent air service, Big Sky is easy to reach from any major city in the US. Flights are operated daily by Alaska, Allegiant, American, Delta and United. Big Sky is located 43 miles south of Bozeman. The drive takes you along the spectacular Gallatin River, star of the movie, *A River Runs Through It*. Have your camera ready to capture the bountiful wildlife you may encounter.

EXCLUSIVE TRAVEL DISCOUNTS

Wilderness Medicine has arranged special meeting discounts on airfare and car rentals and shuttles for attendees and their guests. Please visit the travel page on our website for the discount codes and contact information of the participating airline and rental companies at wilderness-medicine.com.

ENROLLMENT – Advance registration is required and attendance will be limited. Tuition includes USB syllabus, welcome reception and continental breakfasts.

REFUNDS must be requested by January 23, 2019, and will be subject to a \$100 service charge. After that date no refunds will be given. Sponsors cannot be responsible for travel difficulty due to road or weather conditions.
