Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2031**

Course Description. The Start is on an unnamed access road by a pet waste receptacle in front of the Warming Hut and proceeds north to **R** turn onto asphalt sidewalk that parallels the Avenue of the Pines. The course remains on the sidewalk bearing **R** at the junction with N. South Rd and **R** again at Gideon Putnam Rd, leaving the sidewalk onto the roadway to **Mile 1**. The course continues on Gideon Putnam Rd (permanently closed to traffic) past the swing barricade gate out to the Turnaround (1.66 mi.) a short distance before the dead end at Broadway/Rte 9. The return route retraces the exact path back along the asphalt sidewalk to **Mile 2** and bears **R** around the junction with N. South Rd, remaining on the sidewalk that parallels the Avenue of the Pines, continuing past the unnamed access road, then bears **R** at junction near the park entrance to **Mile 3**. The course turns **R** onto a dirt access road that leads back to the Warming Hut and **Finish** at the 2nd light pole from the hut.
