

SPONSORSHIP PACKET

A fundraiser supporting
educational programs for
children in need

September 29, 2025 | Walnut Creek, CA

TeeOffForEducation.com

Dear Sir or Madam,

Yours Humanly will be hosting its 6th annual *Tee Off for Education* golf tournament on Monday, September 29, 2025, a yearly fundraiser to support our educational programs for children in need around the world.

We'll kick off the morning at the Rossmoor Golf Course, 1010 Stanley Dollar Drive, Walnut Creek, with registration at 9am and a putting contest before play begins at 11am. An awards dinner caps the day with a raffle and time to socialize and compare games. This popular event, one of two Yours Humanly signature fundraisers, invites golfers to enjoy a day on the course with friends and family, while being a part of something very special on behalf of children in need.

Education is a basic human right, and every child everywhere should be afforded that right in a safe and nurturing environment. Your sponsorship will transform the lives of children in need by providing them access to quality education and equitable resources. When we invest in our children, we demonstrate our love and support, laying a path for opportunities and bright futures.

I humbly thank you for taking the time to view our sponsorship packet. We offer a variety of sponsorship levels to provide you with flexible donation options.

Thank you for your time and consideration. Please do not hesitate to contact me for more information. I look forward to your support of our 2025 *Tee Off for Education* golf fundraiser.

Sincerely,

Sunny Singh
Founder & CEO

WHO WE ARE

About Yours Humanly

Yours Humanly is a global organization dedicated to helping children in need receive the education they deserve.

Driven by the belief that education is a basic human right, we fund global efforts to provide children in need access to quality education and equitable resources.

While the programs and resources we provide vary among the countries and cultures in which we work, our focus is always on transforming the lives of children in need through education. By doing so, we are lifting children out of poverty and other challenging situations and empowering them to achieve better, brighter futures.

Our Mission

We transform the lives of children in need around the world by providing access to quality education and equitable resources.

Our Vision

A world where all children have an equal opportunity to receive a quality education.

Our Core Values

Quality education is a basic human right, and every child everywhere should be afforded that right in a safe and nurturing environment.

WHAT WE DO

Coloring Futures

K-12 Scholarships

We place underprivileged children in their local schools and cover the full costs of their tuition, uniforms, mid-day meals, books, study materials, and all other educational needs from placement through 12th grade graduation.

STEM and Arts Programs

We introduce and build upon STEM and Arts programs by providing STEM kits, math kits, art supplies, and program instructors when needed, to encourage student engagement, innovation, and success beyond the classroom.

Literacy Programs

We host literacy programs and family literacy nights at schools to promote reading and parent engagement. We donate reading books and bilingual books to grow school and classroom libraries and encourage reading at home.

After School and Enrichment Programs

We provide assistance with after school programs to support classroom curricula, and resources for extracurricular activities that promote enrichment and well roundedness through challenging hands-on projects and activities.

Bridging Gaps

Computers, Internet, and Technology

To help close the digital divide, we provide computers and ancillary technology for student use; computer labs for school and community use; and computer science instructors where needed to advance technological literacy.

Facility Needs

We provide basic facility needs that are deemed necessary to establish and maintain safe and effective learning environments and that positively affect student comfort, engagement, and ability to focus and learn.

Disaster Relief

When natural disasters hit, we respond quickly with relief and provide reconstruction and rehabilitation assistance and life-saving aid and resources that children, families, communities, and schools need to recover and rebuild.

I WANT TO SPONSOR—WHAT'S NEXT?

Thank you!

Thank you for reading about Yours Humanly and the children we serve, and for reviewing the sponsorship options for our 2025 Tee Off for Education golf fundraiser.

There is much we can do together to help children in need receive the chance in life they deserve, and we thank you, most sincerely, for your interest in supporting our efforts on their behalf.

What's next?

Once you have decided on your sponsorship level, please contact Yours Humanly by email at info@yourshumanly.org, or by phone at 925.680.9700 ext. 114, and we will respond with the next steps.

Thank you for your support of Yours Humanly and the children around the world who so desperately need our help.

Yours Humanly®
Transforming Lives Through Education

Your generosity will transform a life *forever*.
Thank you!
