

2026 MAHP Attendee App FAQ

To access your account

- Go to your confirmation email.
- On the confirmation email, click the **Launch Attendee App** button.
- Confirm that your email is correct and click **Login**. If your email is mistyped, click **Use a Different Email**, and enter your name and email. **NOTE:** if you use a different email, this cannot be undone and will be the email you'll use moving forward.
- Once you've logged into your attendee app account, you can click the Edit Profile link
- Inside your account you can upload an image and add all of your profile information such as contact info, social profile links, bio, etc.
- If you'd like to hide your personal information from your public profile, you can toggle on the privacy setting inside your profile as well.

Browse and download attendee contact info

- Click the *Attendees* tab on the top menu bar of your account.
- Browse and click *View Profile* on account attendees you'd like to see.
- While at the event, you can scan other attendee's QR code to add their contact info to your saved contact list.
- To download your saved contact list, click your name in the top right corner of your account.
- Select *Download Saved Contacts* from the dropdown.

Browse and download sponsor and exhibitor contact info

- Click the *Sponsors or Exhibitors* tab in the top menu bar of your account.
- Browse and click *View More* on any sponsor or exhibitor you'd like to learn more about.
- You can click the blue *Let's Connect* button on a sponsor or exhibitor profile to share your contact info with them. Your info will then be added to their lead list, and they will be added to your saved vendor list as well.
- To download your saved vendor list, click your name in the top right corner of your account.
- Select *Download Saved Vendors* from the dropdown.
- **NOTE:** To add vendors to your saved vendor list, you can either click the *Let's Connect* button on their profile or scan their QR code at the event.
