Maysville Wesleyan Youth Camp

Maysville Wesleyan Youth Camp

June 24 – 28, 2019

Our Worship and Music Leader:

Austin Shuck

Originally from Breathitt County, Kentucky, Austin attended Mt. Carmel Schools. When God called him to ministry, he attended Kentucky Mountain Bible College and graduated in 2017. While at KMBC, he travelled in a singing group and helped with different groups for another 2 years. He also worked in Public Relations there for 5 years. God recently called him to Youth Ministry and he now serves in Albany, Kentucky.

Our Chapel Speaker: *Bubba Jennings*

Bubba grew up in the hills of Bedford County, VA, enjoying the woods and experiencing the wonderful world our Creator has made for us. That continued while attending Kentucky Mountain Bible College, as well as being a Youth Pastor at a local church there for 4 years. Upon graduation in 2016 he became a Senior Pastor in south-central KY. Currently, along with his beautiful wife and 2 year old son, he serves in his home church: Parkway House of Prayer in Roanoke, VA, as the Youth Pastor.

Youth Camp - an encounter with God

Chapel Services are twice each day, where we gather to worship through great music, and hear God's Word at the level of youth.

We strategically plan for all of camp to be an encounter with God. Our Breakout Sessions this year will focus on living for God. We are having 'Salvation Stations' in place of Bible Bowl, to help you understand what living for God is all about.

Even our activities, the afterglows, and the relaxing and 'hanging out' times are planned to draw us closer to God.

Team Building

Fun activities that help us to honor other people and work together in cooperation, problem solving, communication. Grow in your maturity and character in these creative events.

Breakout Sessions

This year our Breakout Sessions will center more on our relationship with God, and how to live out the Christian life.

Quest Academy: Live the Adventure!

Who are you...really? What are your gifts and talents? What is God's calling on your life? Quest Academy is back, revised and updated. Presented by **Southern Wesleyan University**, these strategic sessions will help you to discover direction for your life.
