

APPLICATION FOR SUPERVISED MINISTRY CREDIT
(based on previous supervised ministry experience)

Student's Name _____ Date _____

Current Church _____ Position _____

Student's previous ministry experience:

Church	Position	Dates	Supervisor
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

This form should be completed by the student and submitted to the District Board of Ministerial Development for review. The DBMD should add comments and make a recommendation to the Director of Ministerial Preparation concerning credit, then submit the form to Education and Clergy Development. Final decisions concerning credit are made by Education and Clergy Development.

1. Briefly outline your primary area of ministry and other duties that you participated in during the period for which credit is requested.

2. Describe the type and extent of supervision involved in your previous situation. (How often did you meet with a supervisor? For how long? What did the supervision sessions entail?)

3. How was this ministry experience evaluated?

4. Identify at least three areas in which you believe you experienced *significant* personal and professional development through the supervised ministry experience. For each area, include at least two or three sentences describing what you learned. (Attach extra sheets if necessary.)

5. Describe your ability to relate to persons of various ages and types as related to your primary ministry areas during this period.

6. Briefly describe what areas, personal and professional, you feel need further attention and equipping as you engage in full pastoral responsibilities:

REPORT ON CHECKLIST OF PASTORAL ACTIVITIES

Report should be filled out jointly by student and supervisor. It is understood that it will not be possible for a student to observe and participate in all of the activities listed below. It is expected that all will be discussed, most will be observed, many will be participated in, and that there will be follow-up discussion on all participation. If there has been experience in a given activity **several times**, put "**S**" in the proper box; if **one or a few times**, put "**Y**" (for yes). If there has been no experience, leave the box blank.
