	Corks, adapters, swivels, blowhoses, bending blocks, and more	N/A	West Coast Customs Neon	too many items	https://www.wccdusa.com/bending-supplies	Some of these items can be purchased in bulk for a better price, but this company makes convenient kits for portability. Plus it's more of a one stop spot			
	Didymium glasses, swivels, tweezers, and more	N/A	Mountain Glass	too many items	https://www.mountainglass.com	Cheapest source we have found for swivels			
	Didymium glasses, swivels, tweezers, and more	N/A	Wale apparatus	too many items	https://www.waleapparatus.com	similar supplier to Mountain Glass			
	Latex Fluorescent Tubing (for a fun blowhose)	by the foot	Canal Rubber	~ \$1.00/ft	https://www.canalrubber.com/latex-fluorescent-tubing	This place only has the blowhose itself. You would still have to acquire swivel, mouthpieces, and tube adapters.			
Additional Supplies: Glass, electrodes, mounting and wiring, transformers, and acrylic backing									
	Clear glass, phosphor tubes, classic glass, electrodes, GTO cable, tube supports, boots and caps		Ablon Technologies A. K.A. Brooklyn Glass	too many items	http://ablontech.com	Local shop in Brooklyn. It's best to go in person. This is an ideal location for glass and mounting supplies because you can purchase smaller quantities. Most other sources require a large quantity of these particular items.			
	Clear glass, phosphor tubes, classic glass, electrodes, GTO cable, tube supports, boots and caps		Abitech	too many items	https://www.abitechsupply.com/product-category/neon-supplies/neon-components/	Not local, but decent prices. Best for buying in large bulk.			
	Acrylic sheets, wall mounts (will give space between the wall and the acrylic sheet, leaving space for the transformer and wires), adhesive for acrylic, and needle applicators for applying adhesive	N/A	Canal Plastics	too many items	https://www.canalplastic.com/?gclid=CjwKCAiAgbiQBhAHEiwAuQ6Bkuxwr5r8geY9oFjigDWHNKA0eW8MF7zyS48pGPpGJw5k8rON4Y5NRoCnKUQAvD_BwE	If wanting to mount neon on acrylic, this is a great place right here in NYC. It's best to create an order online and then pick up. Feel free to ask for more details/direction from your instructor for what best fits your needs.			
	Transformers and animators	N/A	Tech 22	too many items	http://www.t2-neonpower.com/PRODUCTS/NEON_SUPPLIES/Neon_Supplies_list.html	Gen3-8k30 is the transformer given in classes. There are other companies, but this is the leader in the industry due to its compact size.
