

Day 13

Vision

Today, we invite you to reflect on God's vision for the world.

“Part of the vision for Christmas is that we share in God's larger community in which each individual employs God-given gifts for the sake of the common good out of love for God and one another. As God's love transforms lives, we find that we are part of a community in which justice and mercy embrace. The words of Psalm 85 come to mind: ‘Steadfast love and faithfulness will meet; / righteousness and peace will kiss each other.’ May this vision of God's love be one of the gifts you open this Christmas.”
