USA CYCLING ACADEMIC ALL-STAR PROGRAM* VERIFICATION FORM
*COVID-19 Edition

The USA Cycling Academic All-Star Program honors collegiate athletes that excel not only in their sport, but also in the classroom. Normally, this group is named twice a year - in February for Track, Mountain and Cyclo-cross and in September for BMX and Road. Due to forced cancellations of the 2020 collegiate seasons, USA Cycling will name a COVID-19 edition of the Academic All-Stars program for all student-athletes that meet the qualifications listed below. To achieve Academic All-Star status for the COVID-19 affected season, the athlete must have held a 2020 USA Cycling Collegiate license and have maintained a 3.5 or higher GPA in either the spring or fall semester.

Please fill out the following form and return to USA Cycling, attention: Collegiate Programs. Alternatively, students may submit an official transcript to USA Cycling showing GPA through the term in question instead of using this form. All documents must be received by February 28th for consideration for the Academic All-Stars, COVID-19 edition.
