ATHLETE SELECTION PROCEDURES  
2020 OLYMPIC GAMES  
MEN'S AND WOMEN'S BMX FREESTYLE  
December 20, 2018**

**Revised April 24, 2020**  
**Amended October 28, 2020**

Due to the COVID-19 Pandemic the 2020 Tokyo Olympic Games have been postponed for one year and will now take place July 23, 2021 through August 8, 2021. The UCI enacted a freeze on results, rankings and points accumulation effective March 3, 2020 for Olympic quota qualifying. All competition ~~has been~~ was suspended ~~at this time until further notice~~ beginning in March 2020 and is just beginning to ramp up again as of the date of this amendment. These dramatic moves require USA Cycling's Olympic Selection criteria to be revised.

These are the USA Cycling principles guiding the revisions.

1. Honor all automatic nominations earned by athletes as of March 3, 2020. Automatic nominations will be closed at that point with the exception of Mountain Bike which has one potential replacement event in 2021 where athletes could earn an automatic nomination.
2. Allow for the replacement of competition opportunities to earn discretionary positions for those lost to the COVID-19 pandemic.
3. Ensure all performances and work by athletes already completed continue to count toward Tokyo 2020 discretionary selection, i.e., no selections start over.
4. Create a balance between protecting those athletes who were close to qualifying based on the previous 2020 deadlines and also ensuring the participation of the best athletes at the Olympic Games Tokyo 2020 by providing opportunities for the top performers of the 2021 season to qualify.
5. Apply one consistent strategy and policy across all disciplines to accommodate these new parameters.
6. Do not rewrite or change any of the criteria in the existing posted and approved documents other than extending dates and accommodating like events that occur in those extensions.
7. Do not add any new criteria to the existing posted and approved documents.
8. USAC Olympic Long Teams will be named for Track, Road and Mountain Bike by June 1, 2020 based on results and performances as of May 1, 2020.
9. The Olympic Long Teams are not closed. Athletes may continue to earn a nomination to a Long Team via the original posted pathways through May 1, 2021 Track and Road and May 24, 2021 for Mountain Bike.

Note: Following the IOC's announcement that the Olympic Games Tokyo 2020 have been rescheduled to take place July 23 – August 8, 2021, it was confirmed that these Games will still be referred to as the Olympic Games Tokyo 2020. Therefore, any references to the Olympic qualification system, Olympic Team, "Long Team" and Olympic Games still reflect '2020' in these selection procedures.
