CLUB CYCLING

CYCLING THROUGH COVID

12-hour Zwift Indoor Cycling Marathon

ABOUT: Duke Club Cycling is challenging its members to a 12-hr ride in support of Duke COVID Response Team and improved cycling infrastructure for safer, healthier transportation

For all Information: **https://tinyurl.com/cyclingthroughcovid**

WHEN: July 26, 2020. 8AM – 8PM EDT

WHERE: Zwift, an indoor cycling platform, and outside

HOW:

1. Donate or Pledge to a rider (Click here)
2. Join us on Zwift between 8AM – 8PM EDT and on Zoom (If you do not have Zwift, we encourage you to ride outside and engage in cycling any way possible on July 26)
3. Follow our progress and share your own

* You do not have to donate in order to join our ride. Please feel free to help us by riding with us on Zwift or enjoying your own adventure outdoors.

Donate Directly:	Follow Along:	Completion Status:	More Information:

About Duke Club Cycling: Our mission is to support growth of the cycling community through removing the fiscal, emotional, and informational barriers around cycling. We recognize the appeal of cycling as a safer mode of transportation following COVID and will help others access cycling more easily and ride in safer ways through community efforts and partnerships.

12-Hour Bike Marathon

Fundraising for Duke COVID Response Team and Community Cycling Initiatives

Entire Duke Club Cycling Team is Participating

Multiple Ways to Donate

THANK YOU FOR YOUR SUPPORT!
