

**THE COLLEGIATE CUP
ACADEMIC CHALLENGE
BONUS – STAGE 5**

50 Bonus pts will be awarded to the team for every student athlete team member who completes the FALL Semester in the Top 20% of their class or program. We recognize that not all grading systems are similar that is why students can submit transcripts which demonstrate one of the following:

- An average GPA of 3.0 or better
- A class rank that would indicate they are in the Top 20% of their class
- On a numerical grading system, the top 20% of the numerical grades, for example if the grading system ranks student 1 to 5 – 5 being the highest – they would need an average numerical grade of 4.
- If the student is unable to provide official transcripts, they may submit grade verification from either their faculty adviser or their team coach. They may also submit a letter stating why they should be awarded 50 bonus pts for their team and USA Cycling staff will determine if the pt. award is reasonable
