f Blue hamps

The "Free Falling Falcons" did it again! For the eighth time in ten years, the team went to Florida over Christmas break to compete and capture the National Collegiate Parachuting Championships. Time after time, the Academy parachutists met the challenge as they dominated the competition, winning 18 out of the 28 Championship awards. To prepare for the Championships, team members, led by

team captain C1C Ron Rosepink, competed in parachute meets around the country. In addition to competitions, the 16 team members also traveled around performing demonstrations to crowds at many Air Force bases.

The Academy received two new DeHavilland Twin Otters (UV-18) for jump aircraft. These new airplanes will help expand the parachuting program to more than 300 students each year.

26 Bob Hope—1977 Thomas D. White Award

Cadet Squadron 29 p.

"My first academy award . . ."

Bob Hope, who has received virtually every honor the United States can bestow, was given the 1977 Thomas D. White National Defense Award on January 12, 1978. In a terrazzo parade, the Cadet Wing passed-in-review through the icy air just prior to the luncheon in Mitchell Hall. Hope came to Colorado Springs late Wednesday and stayed at the Broadmoor Hotel before returning to California by private jet.

General Tallman and General Beck laugh at Bob Hope's quips before seating in Mitchell Hall. Bob Hope had comments on the air he "could not see," Billy Carter and the foam on Pikes Peak, women at USAFA, and after the presentation of a Plaque with Sabre—"I wish I'd had this earlier to cut that steak," (ABOVE).

The Cadet Wing took to the field in the cadet area Saturday May 13, to honor U.S. Senator Barry M. Goldwater (R-Ariz.) as he received the 1978 Thomas D. White National Defense Award.

Senator Goldwater is the 17th recipient of the prestigious award given to those individuals who have contributed significantly to this nation's armed services. He joined such personages as Bob Hope, General Curtis LeMay, U.S. Senator John Stennis (D-Miss.) and Lieutenant General James H. Doolittle.

The White Award is given in honor of the late Air Force chief of staff, who held the position during the formative years of the Academy.

It was established 1 March 1962 by the United States Air Force Academy.

The award is made each April or

May to a American citizen who is adjudged to have contributed most significantly to the national defense and security of the United States during the years preceding the award.

The award may be made in any specific field of endeavor such as science, technology, leadership, management, national affairs, international affairs, or a combination thereof.

Except active Government employees (military, civil service and statutory appointees) currently on the Federal payroll, there are no exceptions as to who may be nominated.

The permanent Thomas D. White plaque will be displayed in a prominent location at the Academy with the names of the annual winners inscribed thereon. Each recipient will receive an appropriate individual award, scroll and hand-lettered citation.

Superintendent, Lt General K. L. Tallman congratulates Senator Goldwater during the May 13th T. D. White Parade (FAR LEFT). Senator Goldwater chats with General and Mrs. Tallman and Lt General D. Hughes, Commander 12th A. F.,

School closed February 8th, 9th, and 10th due to the Russian Flu. The Flu strain, A/USSR/90/77, hit the Cadet Wing on the first of February. By Friday, February 3, 875 cadets reported sick. Monday 1,010 cadets were ill, while another 1000 reported sick Tuesday. School closed Wednesday.

The illness was characterized by an abrupt onset of fever, chills, headache, and diarrhea. This diarrhea and resultant dehydration was primarily responsible for the hospitalization of six cadets (who suffered no serious complications). The mean duration of the illness was five days,

however several cadets were affected for over ten days.

One widely accepted theory of the origin of the virus accuses the varsity wrestling team of bringing the Russian flu back from the University of Wyoming at Laramie (one of the first locations in the nation to experience the Flu strain). With the close confines of classes and squadron areas, the virus reached epidemic proportions quickly.

On an incidental note, the three days of school that were cancelled were made up on later Saturdays during the semester.

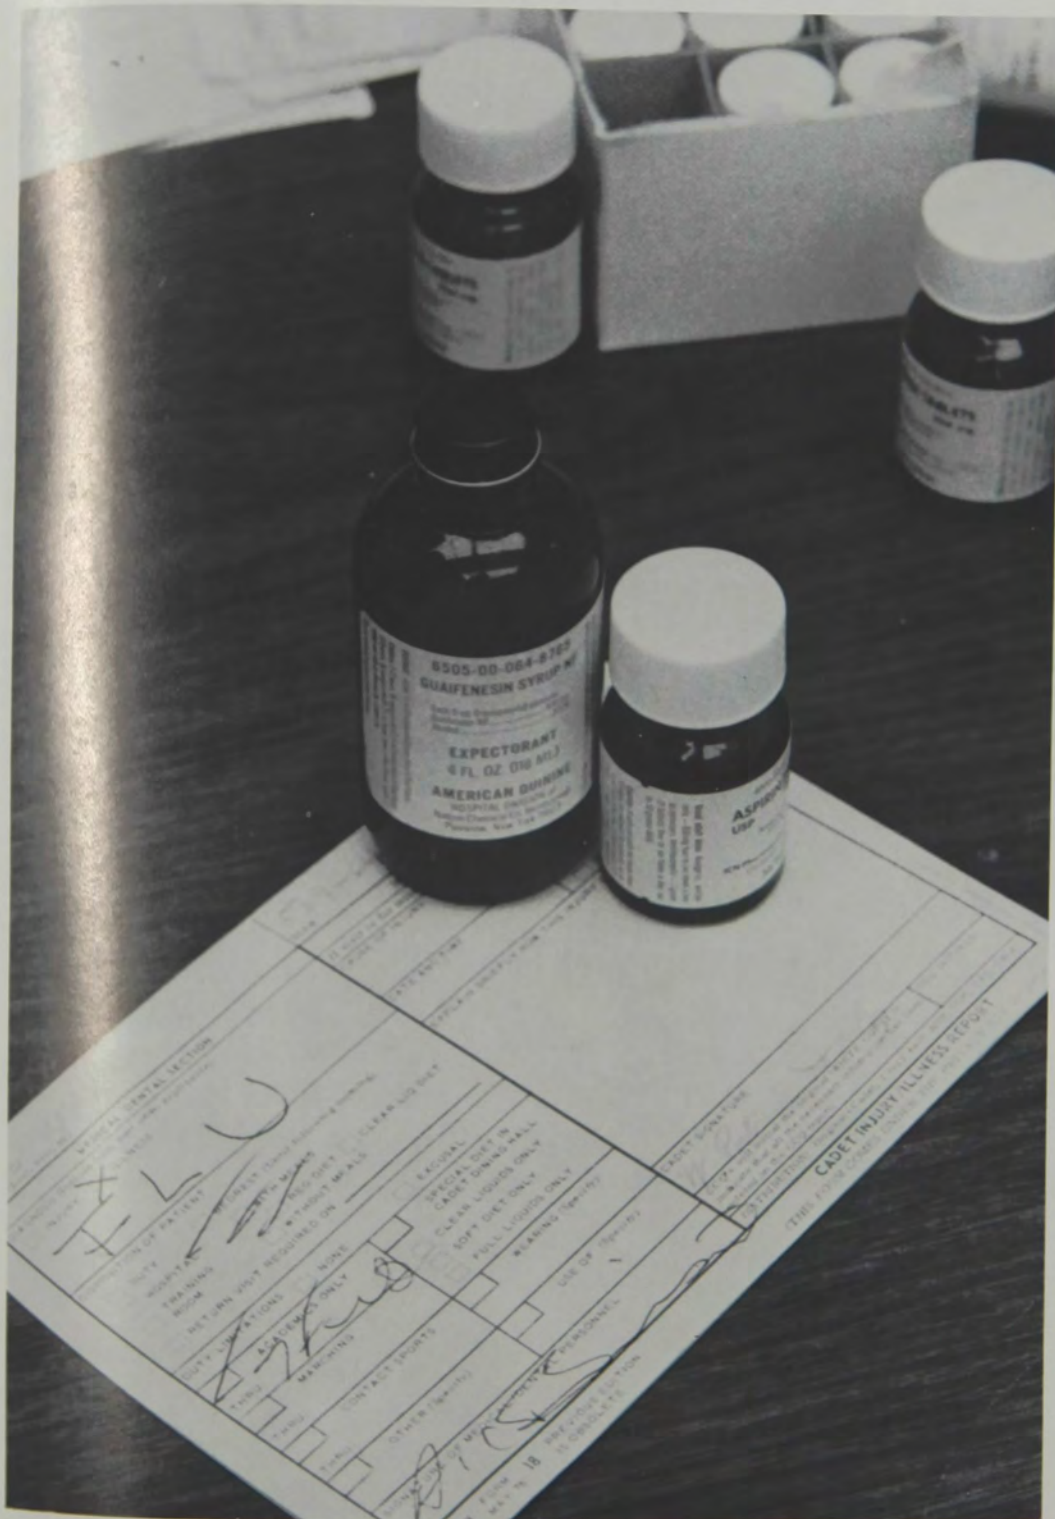

Box lunches and juice were provided by Mitchell Hall and picked up by "well" cadets who were not so "well". One purpose of school closing was to keep cadets away from each

other: Squadron Assembly Rooms ruined this effort as those well enough tried to relieve boredom, (ABOVE).

BEN MARTIN

FOUNDATION OF FALCON FOOTBALL

GEORGIA TECH COACH PEPPER
RODGERS:

"He is a football coach who has done
a marvelous job in a very tough place."

ARMY COACH HOMER SMITH:

"He has been an inspiration to me as
a man."

NAVY COACH GEORGE WELSH:

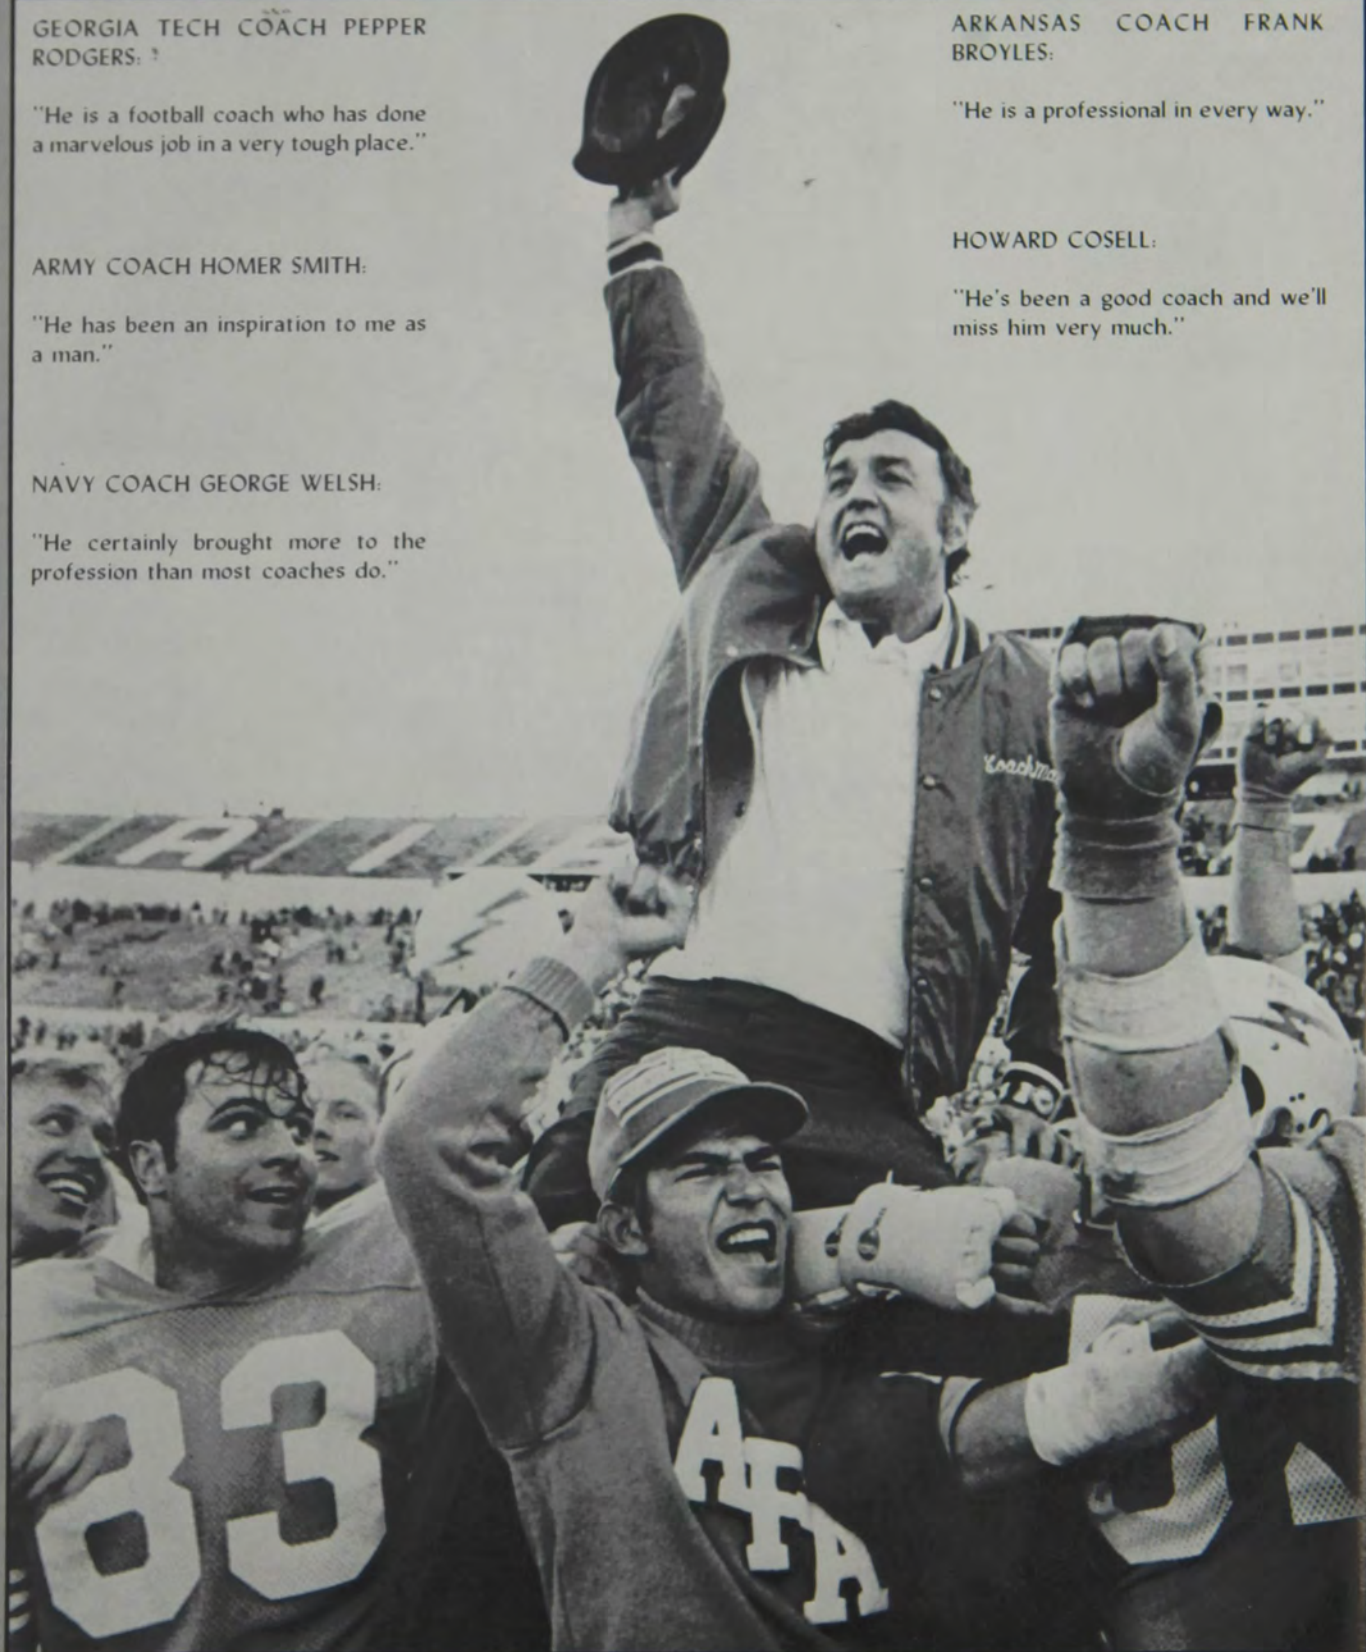

"He certainly brought more to the
profession than most coaches do."

ARKANSAS COACH FRANK
BROYLES:

"He is a professional in every way."

HOWARD COSELL:

"He's been a good coach and we'll
miss him very much."

Coach Martin's career, which began in 1958, ended in style when the Falcons romped over Vanderbilt 34-28. Coach Martin found himself riding high after his last home victory, just as he did with victories over Army,

Navy, and rival powerhouse teams as he led the Falcons to the Cotton Bowl in 1958, the Gator Bowl in 1963, and the Sugar Bowl in 1970. Photo by Denver Post.

"Probably more kids will be better Air Force officers because of him," assistant coach Leland Kendall said of Ben Martin. "That's basically what you'd like to accomplish by the end of your career."

Ben Martin's retirement ended the longest tenure in the history of service academy football. Martin became head coach of the Falcons in 1958 and during his first year he led the Falcons to an undefeated 9-0-1 season. That record earned him a spot in the Cotton Bowl where the Falcons tied powerful Texas Christian 0-0. Coach Martin remembered that cinderella season. "That was a big thrill then and still is now. The funny thing about it was that I knew in my heart that would be it as far as the emotional productivity and exhilaration would be as the football coach here." In 1963, Martin's team went to the Gator Bowl with a 7-3 record. The Falcons suffered through a scandal-marred four year period in which the Falcon's record was never over .500. From 1968-1973, Air Force completed six

straight winning seasons. The highlight of that victory stretch came in 1970 when the Falcons made it to the Sugar Bowl and finished with a 9-2 record. Since 1973, the Falcons once again were on the "down cycle" and didn't come up with a winning season in Ben Martin's last five years with the team. Coach Martin's 20 year record with Air Force amounted to 96 wins, 103 losses, and 9 ties. Ben Martin also coached 24 players who received All-American mention, including the only two consensus selections in Falcon football history — Brock Strom in 1958 and Ernie Jennings in 1970.

Coach Martin felt winning football games was only one part of his responsibilities as head coach of the Falcons. It was nice to beat arch-rival schools like Army and Navy and knock off powerhouse teams like Missouri and Stanford, but his most serious obligation "was to help mold the character of young men who someday might be called to defend the nation."

Once again the Falcons opened the season with an optimistic outlook, that, just like the last four seasons, turned to disappointment as the Falcons won two games, lost eight, and tied one. Air Force opened up against the 1976 WAC Champion Wyoming. With a bus convoy that stretched halfway across the state, the Cadet Wing headed up to Laramie to see the season opener. The fans witnessed what has been termed "the first annual Futility Bowl when Air Force and Wyoming combined for a total of 10 turnovers and four missed fieldgoals. The final outcome of the game — a 0-0 tie.

The next opponent for the Falcons was Cal-Berkeley. The Golden Bears jumped out to a 21-0 halftime lead. In the second half however, the Falcons scored a quick 14 points and were back in the game. The Falcons were with striking range again, but on a controversial call, the Falcons lost the ball to the Golden Bears on a fumble. Cal-Berkeley added a field goal to make the final score 24-14.

The University of Pacific came to Falcon Stadium for Air Force's first home game. The Falcons won their first game of the season with a 15-13 margin and a gallant defensive effort that stopped U. of Pacific's final last ditch drive.

The following week the Falcons left their mile-and-one-half high stadium only to enter one of the formidable sweatshouses of the south — Grant Field. Here the Yellow Jackets of Georgia Tech used their wishbone offense to perfection as they rolled over Air Force 33-3.

The Falcons stayed on the road again, their fourth away game in five outings, and traveled to Annapolis, Maryland to meet their service rival, Navy. Here the Falcons put up their finest effort to date by scoring first and holding onto a 7-7 tie with Navy. However, with 41 seconds to go Navy kicked a 25 yard fieldgoal that lifted the Middies over Air Force 10-7.

The ASU Sundevils showed up in Falcon Stadium only to spoil USAFA's homecoming 37-14. Once again the offense failed to generate any yards and the defense, which put up a fine show as they had all year, just couldn't stop the Sundevils.

In Waco, Texas, Dave Ziebart had his finest day of the season when he threw for 311 yards and a touchdown pass to Paul Williams. However, Baylor's offense generated 476 yards, 335 of them on the ground, and 38 points. Air Force again came home a loser, 38-7.

(continued on page 71)

ABOVE: Senior L. C. Crow races in from the right side to bat down a U. of Pacific punt attempt. The Falcons recovered on the three and punched it in four plays later for the winning score. CENTER: Sophomore

running back Dave Thomas attempts to break away from Wyoming tacklers. The game proved frustrating for both teams as neither side was able to score.

BELOW: Freshman Dave Hill goes for that second effort against Cal-Berkeley. The Falcons staged a fine comeback in the second half but lost 24-14.

The Falcons next two home games were against two of the nations top passers, Ken Smith of Boston College and Lemon Hall of Army. Against Boston College, Air Force lost 36-14. Senior Co-Captain Jack Kurcera became Air Force's leading career tackler, surpassing Ray Wilds career record of 337 tackles, when he stopped Boston College's tailback Ike Bogosian on an anticipated call. The following week, even though the spirit in the Cadet Wing was as high as it had ever been, Air Force lost 31-6 to Army.

With Ben Martin announcing his retirement, the Falcon football team went out and played a spectacular game that ended in a 34-28 knock-off of Vanderbilt. The day started out in style when Mark Bushell ran the opening kickoff back for 97 yards, and the game ended in style when Ben Martin was hoisted onto the shoulders of several joyous players and fans and carried across the field.

With the Cotten Bowl bid awaiting them, the Fighting Irish thrashed the outmanned Falcons 49-0 in a cold and wet Notre Dame Stadium. Notre Dame proved so successful against the Falcons that they did not have to punt all afternoon.

RUN RUN RUN RUN RUN RUN RUN RUN RUN RUN

Fun sports can compare with the sheer agony and torture induced by the cross country runner. But what drives a normal human to run and train for a once a week pain filled five mile race? Like any athlete, a runner runs because he seeks competition, but possibly more than any other sport, cross country is a personal test. A test of both what he has accomplished, he has done on his own. This year's team, without a doubt, put themselves to the test with one of the toughest seasons in years.

Led by team captain senior Dave Wynn, the Falcons raced to a 4-6 dual meet record. Junior Dave McKenney, who broke the Academy course record twice during the season, posting a time of 25.42 for the five mile course, consistently paced the Falcons' victories. Dave was backed by senior Dan Lentz who throughout the year challenged the front runners. Seniors John MacGilvra and Ken Hendrick also contributed greatly. Juniors Bob Garza and Mark Fish along with Sophomore John Evans provided the needed depth and strength for the team. Freshman Brett Hyde rounded off the top eight.

TOP: Sophomore John Evans streaking through the finish gates. CENTER PAGE: team captain Dave Wynn battling against the foreigners from Wyoming. Rumor has it that Wyoming's top two runners arrived the day before from Kenya. BOTTOM: Dave McKenney (alias the cruise) keeps up the pace.

FRONT ROW: Mat Honning, Danny Reinhart, Louis Mariaca, Paul Savage, Bob Doyle, Tom Twohig, Hans Singer, Bob Singer. MIDDLE ROW: Tim Dignazio,

John Puffenbarger, Steve Riggins, Greg Schultz, Mark Wynn, Coach Dan Ulmer and son. BACK ROW: Coach Shaw and son, Head Coach Rob Judas, Mike

Hill, Mike Weiland, Mike Baltimore, Greg Walsh, Alex Neizan, Karman Zappata, Karl Olsen, Capt Ehrhart, Keith Beam, Chris Trainer, Walt Wright.

Looking back on all that we did, one can only say that the season was filled with great times, good friends, and super soccer playing. We did everything together as a team and when Greg Schultz had the entire Winter Park, Florida fire department asking him if it really was a jumpshot, the team was there to back up his story. We even went to Mass together and prayed that no one would get hurt and that one day we could finally understand assistant coach Malcolm Shaw and his bloody English accent. This togetherness gave us a unity that, when looking back, made us more than just a soccer team.

1977 was a year of records. We set the school record for most goals in one game (17 vs Regis), most goals by both teams in one game (17 total in the Regis game), most consecutive shutouts (6), most shutouts in a season (8), and the least number of goals scored against in a RMISL season (1). Many of these defensive records were directly attributed to our second team All-American goalie, senior

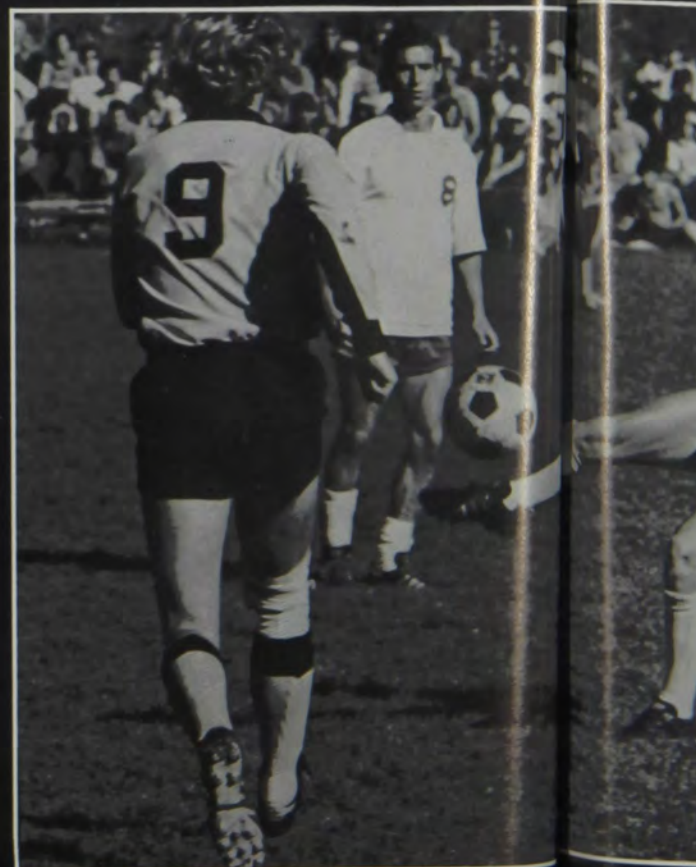

Greg Schultz, and our backup goalie, senior Steve Reggins. Greg Schultz also had the most career shutouts for a goalie at USAFA (17). Helping out Greg and Steve on defense was the famous "No Goal Patrol" consisting of senior fullbacks Karl Olsen, Mark Wynn, and Tom Twohig. Helping out also were junior fullbacks Mike Baltimore and Mike Weiland. Other seniors that helped out with their experience were John Puffenbarger, Bobby Doyle, and Paul Savage, all at the halfback position. Alex Neizen, a junior from Peru, was selected to the All-Far West first team as a halfback. Standouts on offense for us were junior Louis Mariaca, sophomore Mike Hill, and freshman Keith Beam.

Not to be outdone, our associated coaches, trainers, and managers all contributed to an interesting season. Head coach Rob Judas, "our lacrosse coach", did his best to coach all us misfits and crazy special people. Coach Ulmer helped out when he wasn't at lacrosse practice and Coach Shaw did a fine job of assisting Rob

Judas, but only after we used the aid of five translators. Captain Ehrhart was seldom seen on away trips, except when he was lending out money or when he came back in late at night from a "rendezvous." Even our managers were interesting people. Manager Walt Wright and trainer Chris Riseberg kept us in jocks and socks and tape, plus being obnoxious.

This was the first year our soccer team made it to the NCAA Division I playoffs since 1972. Our first game was against the University of San Francisco Dons, the reigning champs for the past two years. We lost 2-1 but still played a very good game in spite of everything against us. Karl Olsen was selected by our coaches as the Air Force outstanding player of the game for this excellent defensive performance. To sum it all up, this season was a rare combination of optimism, hard work, skill, and in some cases, just plain luck. We accomplished much and for this we are proud of our 8-4-2 record.

BELOW: Tim Dignazio (11), Tom Twohig (20), and John Puffenbarger (19) harass Metro States' defense. Air Force managed a tie and a win over Metro State this year. UPPER RIGHT: All-American Goalie Greg Schultz saves a crucial shot in the Colorado College game. With the overtime win over CC, Air Force won the Rocky Mountain Intercollegiate league title with a 5-0-1 record. BELOW RIGHT: Keith Beam volleys the ball with some fancy footwork against Colorado College. OPPOSITE PAGE UPPER RIGHT: Alex Neizan concentrates on the ball while driving downfield against Colorado College.

DYNAMIC DUO OF FISH AND CHIPS LEAD TEAM

This year was the most successful year since the team went to the Nationals back in 1975, when E.T., the Whale, and Dave Wetlesen were frosh. Led once again by the dynamic duo of "Fish & Chips," we were mystified at the R.F. drills. We are losing Captain Fisher, but Captain Davis will be back as head coach.

We began our season by playing the less gifted teams of Colorado, CSU, and Denver. They proved no match for the likes of

the more powerful Falcons. We proceeded down to Arizona and lost our first game to the Wildcats of Arizona, but won every other game from then on, including a comeback victory against San Diego State, despite the pre-game the night before! We left Arizona tanned and happy at our results.

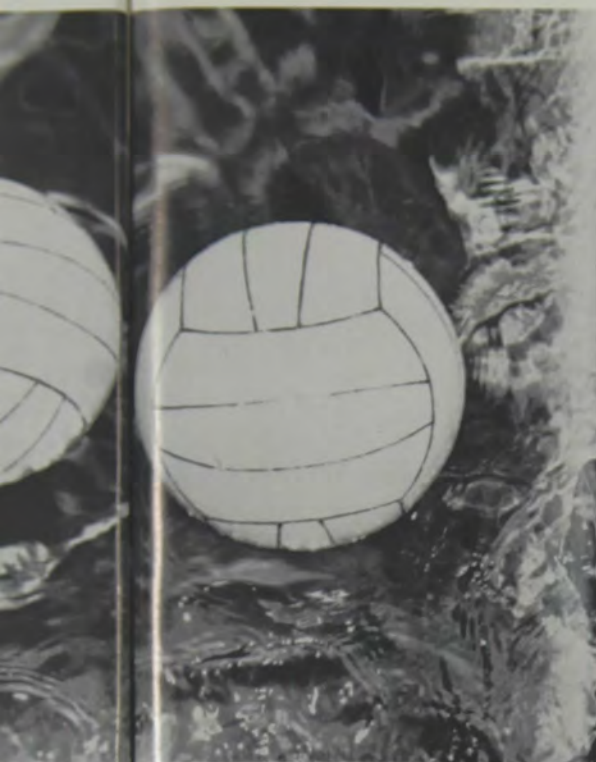

Our tournament was next, and that found us at our "low biorythmic period." We managed only a third place finish. Some where in between our tournament

and going to Malibu, California, we visited a Colorado Tournament which proved to be very one-sided-the Rocky Mountain Water Rats won again!

Our trip to Pepperdine was the highlight of the season, especially when the Bluebird ran out of gas. We played well, but lost to Pepperdine 12-9 who finished fourth in the Nationals.

But the best part of the Water Polo team's fine season were the guys on the team, players like Smith & Ross and F² - associates at law, David "we try harder" Beizer, the "sasquatch," "Orca," "Studman," "the professional" Dave Wetlesen, "Stilleto" Wotlen, "honeyberry," the temperamental gator, and all the others who made our team a great one!

22ND STRAIGHT WINNING SEASON

The Falcon fencing team posted its twenty-second straight winning season with the year-end record showing six wins and one loss. With only two returning seniors, a team which lacked experience made up for it with super enthusiasm in both workouts and meets.

Following the team through their season, the first two meets were against St. John's College of Santa Fe, New Mexico. Both the meets, the one at USAFA and the one at Santa Fe, turned out to be victories for the men's team, but

resulted in close losses for the women's team. The next meet against Colorado University was won by default when CU failed to show up.

Then came the hardest of all meets, a six-way meet in Madison, Wisconsin, against Wisconsin, Tri-State, Minnesota, Chicago, and Northwestern. The Falcons came in second, losing a close one to Tri-State. Next came the Colorado Invitational, an individual tournament in which the best fencers in the Colorado area came

to compete. Even with the stiff competition, the team fared very well as individuals, often times fencing each other in the finals. The last meets of the season pitted the Falcons in the Western Regionals and the NCAA's. The team finished well in the Western's and sent three people, one in each of the three different weapons: foil, epee, and sabre, to the Nationals in Kenosha, Wisconsin. The three were two talented freshmen, Jeff Hasse (epee'), Wendy Kubic (foil), and junior Steve Weart (sabre).

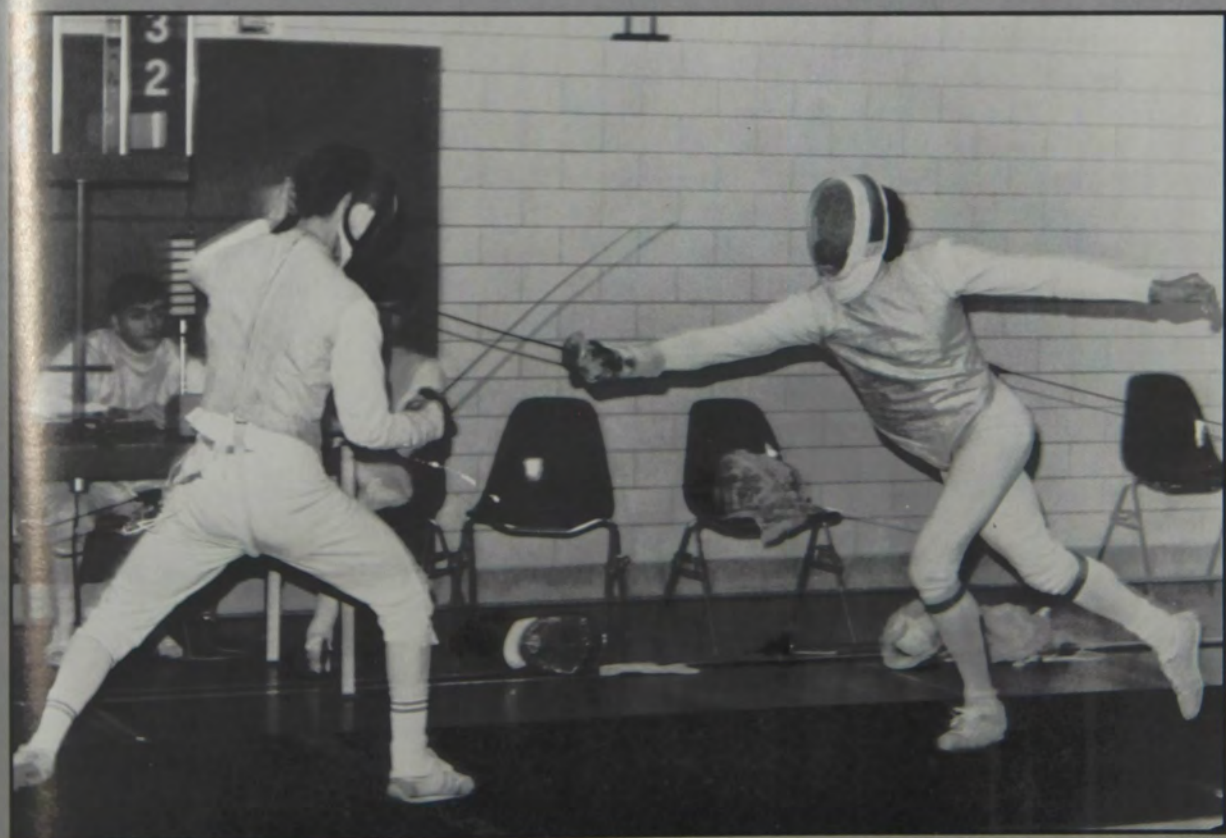

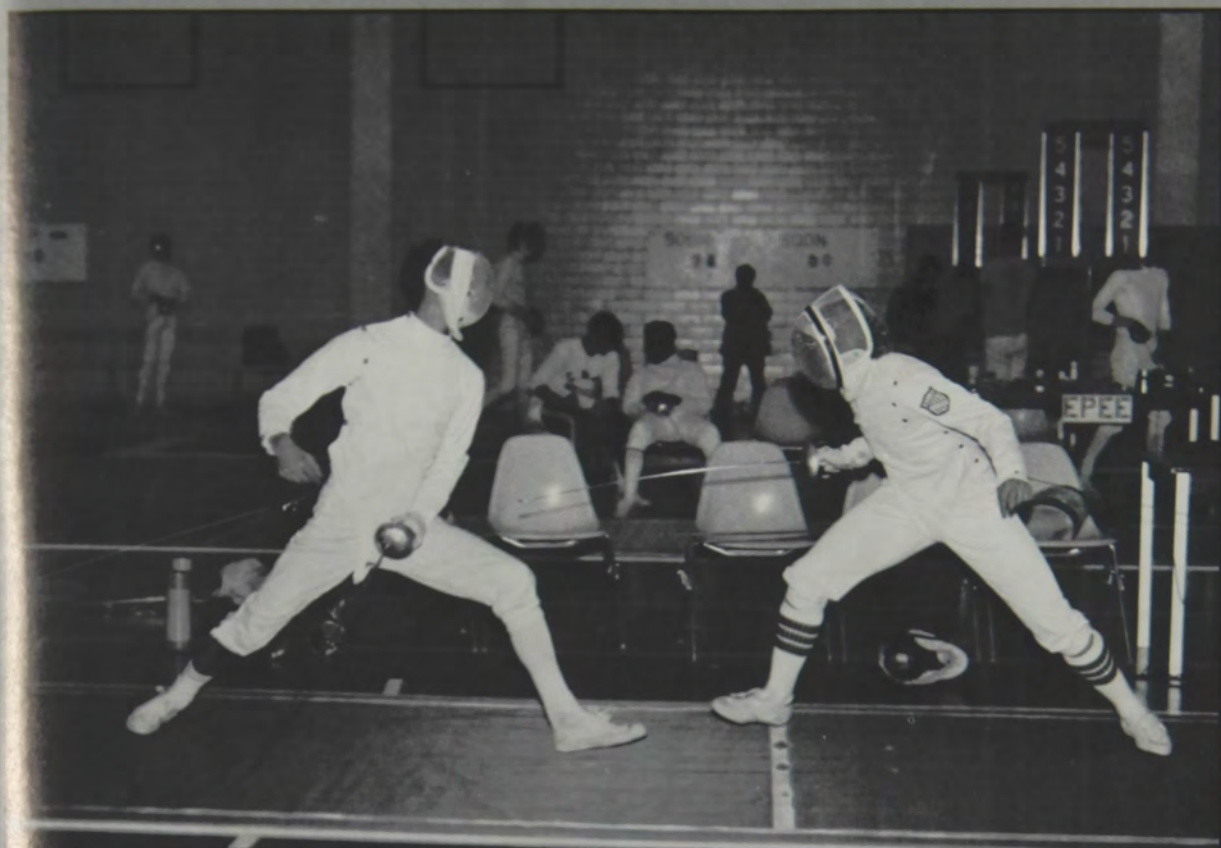

FRONT ROW: Tom Takai, Sky McCorkle, Dio Morales, Jean Stewman, Rob Vogt, Gene Bowman, Doug Dickinson, Steve Weart, Jeff Wilson, Gary Hecker. CAGERS THRILL HOME FANS

The Falcons of head coach, Hank Egan, finished their season with a 15-10 mark after winning the last three games of the season. The Falcons had an 11-2 record at home for the season, best season in history at the Cadet Field House and surpassed the 10-3 marks posted by four different teams.

Seniors Tom Schneeberger and Bob Djokovich, the team co-captains, also led the team in scoring for the second straight year. Schneeberger, a forward, was again the leading scorer with 374 points for a 15.0 points per game average while Djokovich, a guard, had 301 points for a 12.0 average.

Djokovich again led the team in assists with 127 and in minutes played with 919 while Schneeberger

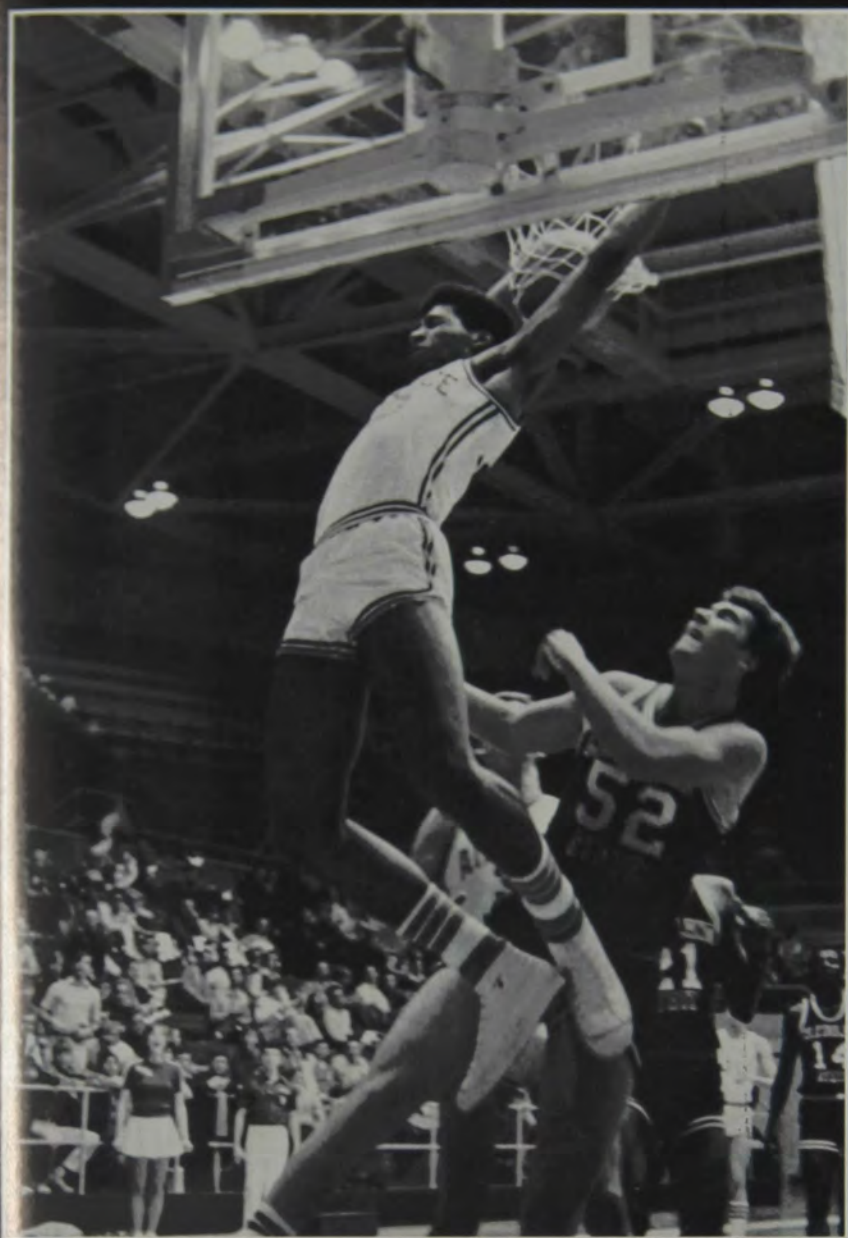

had the most steals at 20. Djokovich also was the best free throw shooter with a .782 average.

Junior forward-center Randy Gricius was the top rebounder with 224 for a 9.3 average and was tops in field goal shooting with 51.2 percent mark. Freshman forward Reggie Jones had the most blocked shots with 28.

Schneeberger and Djokovich wound up as the third and fourth leading scores in Academy history. Schneeberger was third with 1,210 points while Djokovich was next with 1,061 points, making them only the fourth and fifth players in Falcon basketball history to score more than 1,000 points during a career.

A young team of three freshmen, five sophomores, one junior, and one senior faced one of the toughest schedules in Academy wrestling history. Outstanding performances were produced by senior Greg Bush the team captain and junior Lowell Tempas. Four Falcon wrestlers took third places in the regionals: sophomore Paul Feliz at 134 pounds, sophomore Mario Mastrangeli at 158, freshman Gary Chadwick at 167, and junior Lowell Tempas at 177.

One of the interesting sidelines of this year's team was its

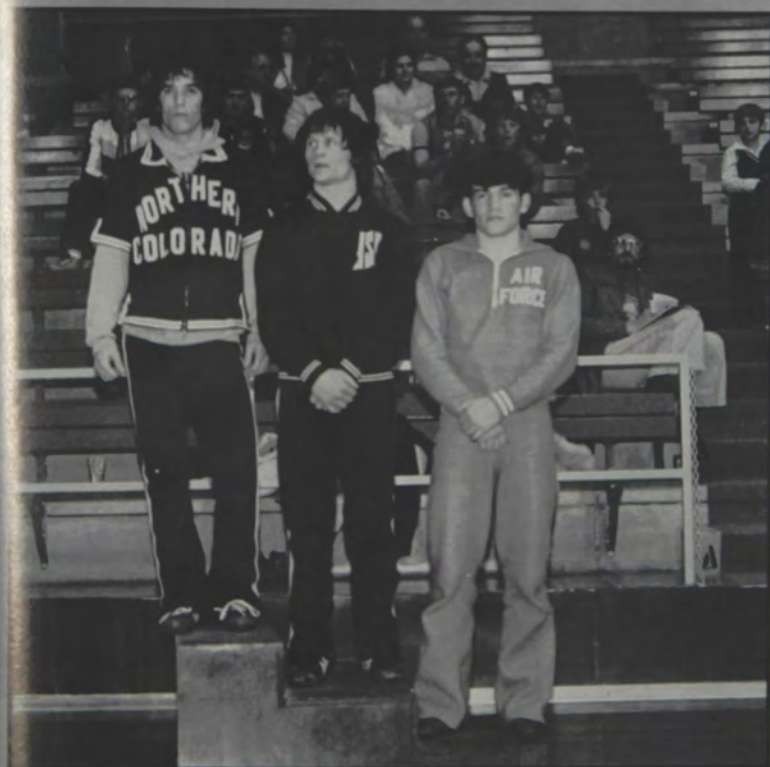

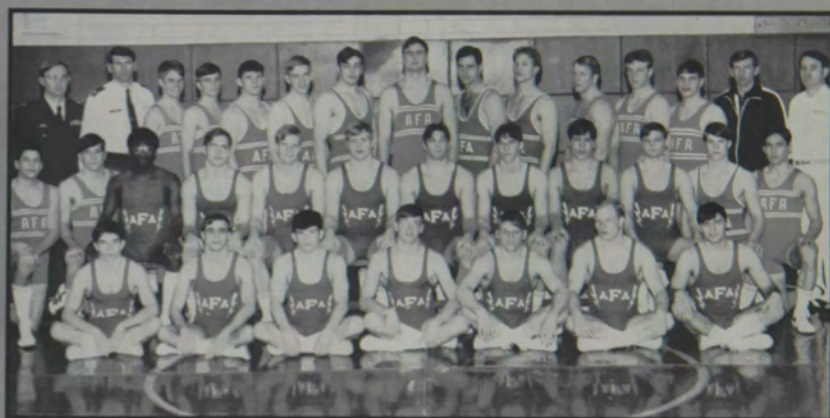

constant hunger for ice cream. Whenever the team went on a road trip, they would scout out the town for an ice cream parlor. After the meet or tournament, everyone would head for that newly found parlor without even waiting to change clothes. The desire for ice cream became so great that whenever we had ice cream at Mitchell Hall, the wrestling "recondo" team would search Mitch's for any leftover ice cream. The coach was pulling out his hair over this habit because he knew ice cream had a way of ruining a diet.

TOUGH SCHEDULE

FULKS, MAHAFFY LEAD RECORD SEASON

It was the end of four years of hard work for six seniors, team captain Mark Fulks, Sam Gilmore, Mike Nevin, Bob Wenrick, Mark Wilkinson, and Mark Zamzow as they posted a fine 12-4 record. The season also marked the Air Force Academy's highest dual meet score of 205.15 against California State University at Northridge, breaking last year's record of 202.3. A new all-around individual record of 50.6 was set by Mark Fulks in a tri-meet meet with Fort Hayes and Kansas University. Greg Brewer and Don Knauf also showed a great deal of improvement in all-around competition.

The highlight of the season was a four day trip to California to meet Northside, USC, and Santa Barbara. On Friday night the Falcons defeated both USC and

Santa Barbara. The next night the Falcons defeated Northridge in a close meet with the record score of 205.15.

The gymnastics team also had its highest score ever at the Western Independent Meet in Oregon. The Falcons came in fourth place with a score of 394.0, missing third place by five tenths of a point. Junior Mike Otomo placed first on the floor exercise and second on vaulting to qualify for the NCAA meet for the second year in a row. An amazing performance by Jim Flickenger earned him third place on the high bar and a trip to the Nationals also. Head Coach Captain Carl Townsend capped the fine season for the gymnastics team by being named Coach of the Year for the Western Region.

BELOW LEFT: Junior Mike Otomo shows his form that won him a first place in the floor exercise in the Western Independent Meet and enabled him to go to the NCAA's. BELOW RIGHT: Jeff Plaisted shows off on the horse.

ONLY LOST TO CSU

Despite a very demanding schedule, the Falcon trackmen finished with a very respectable record of 9-1. Their only loss was to Colorado State University during the middle of the Russian flu epidemic. Besides dual meets, the team traveled to Nebraska for the Cornhusker Invitational, Michigan for the Central Collegiate Championships, and Colorado for the Indoor Colorado Relays. Led by team captain Russell Clemons, the Falcons fared well in many areas that

were expected to be only mediocre. Next year's indoor track team will miss graduating seniors Russell Clemons, George Kailiwai, Morgan Lankford, Dan Lentz, Rick Linares, John MacGilvra, and Dave Wynn. Nevertheless, next year look for good performances from juniors Dave McKinney, Walt Pate, and Marc Millican, sophomores Don Walters and John Evans, and freshman Bob Wright and John Price.

Posting a sixth-straight winning dual meet season, the Falcons were hampered by the fact the outdoor track was in the process of being rebuilt. The team worked out either in the fieldhouse or at Air Academy High School and they managed to compile a 3-2 record. To compound the problem, freakish weather caused the cancellation of three meets. Despite these problems, the team broke or tied seven school records. Morgan Lankford, the team captain, ran a

21-2 in the 200 meter dash. Russell Clemons long jumped 23 feet 11 1/2 inches and triple jumped 49 feet 9 3/4 inches. Dan Lentz ran 9-30.0 in the steeplechase and John Price scored 6180 points in the decathlon. Wally Pate jumped 6 feet ten inches in the high jump. The 440 yard relay team of Bob Wright, George Kailuwai, Russell Clemons, and Morgan Lankford qualified for the NCAA Championships with their school record 40.6 clocking.

TOUGH SCHEDULE

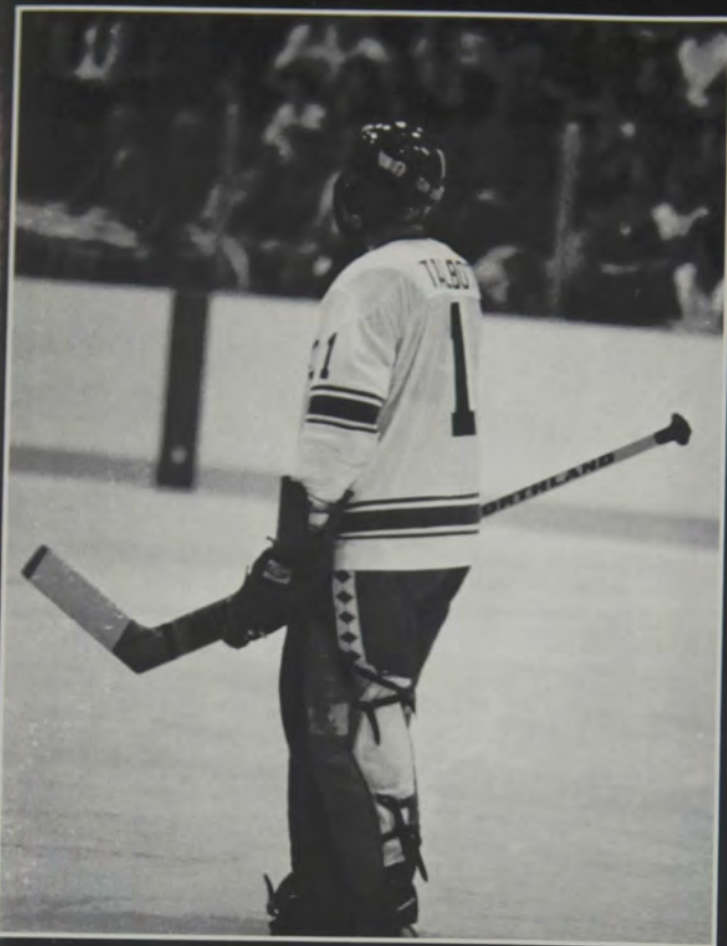

A young but enthusiastic team played one of the toughest schedules in the nation, including the nation's top two teams and wound up with a 9-17 record. However, both the leading scorer and starting goalie return next year. The leading scorer was sophomore Bob Sajevic with 25 goals and 59 points while junior Tom Talbot was the starting goalie against such nationally-ranked teams as Denver, Boston University, Boston College, and St. Louis.

9 WINS

17 LOSSES

TOP LEFT: Junior Tom Talbot watches the action at the other end of the ice. TOP RIGHT: The third leading scorer for the Falcons this year, Robin Robideaux, puts in another goal for Air Force.

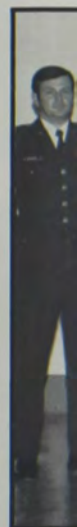

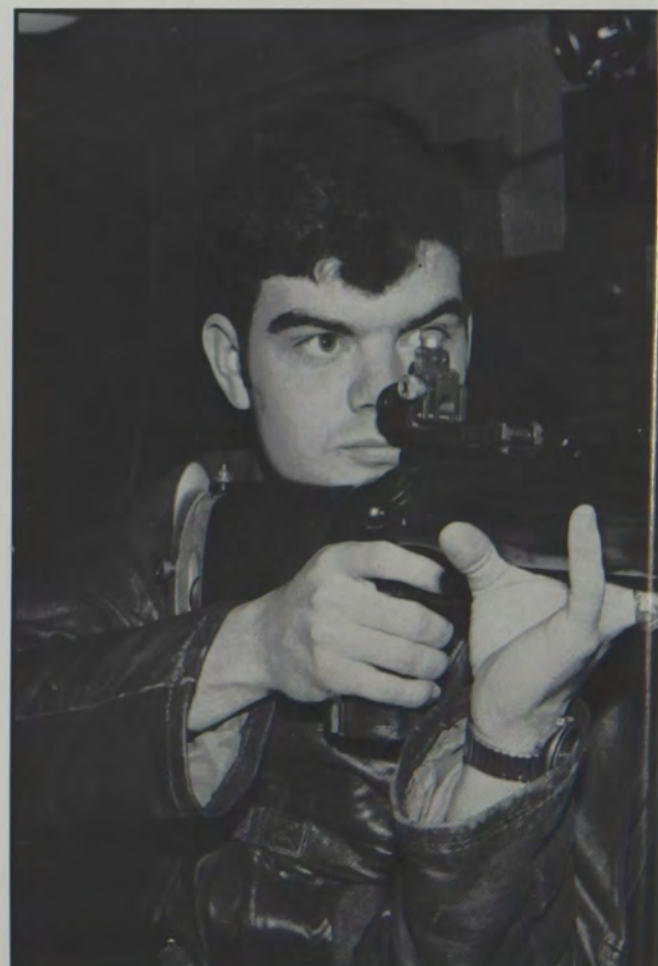

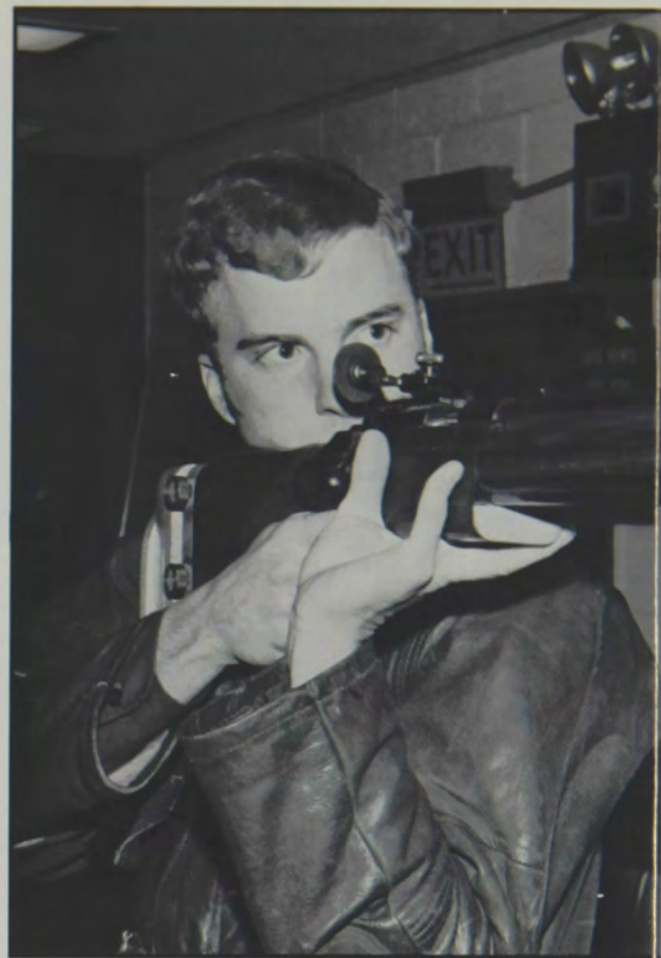

BOTTOM ROW: Bob Vineski, Gary Batinich, Dave Snyder, Gordon Strong, Gary Hennings, Steve Asbell (team captain), Tom Talbot, Jeff McChesney, Bob Sajevic, Steve Klimek, Kyle Anderson, Tom Mesquita (head equipment manager). MIDDLE ROW: Dave Miller (manager), Maj. Bob Taylor (officer representative), Bill Baldrice (assistant

coach), Doug Leibbrand (assistant coach), Peter Hoene, Gordon Curphy, Bill Luukkonen, Scott Berg, Steve Moes, Steve Laushine, Mike Smellie, Jon Hedblom, Chuck Evancevich, John Bazzachini, Dan Dow, Ernie Haendschke, John Palmer, Jeff Faust, Lt Col Charles Meir (academic advisor), Bob O'Neill (manager), Chuck Delich (assistant coach), John

Matchefts (head coach), Jeff Mielke (manager). TOP ROW: Tom Anderson, Robin Robideaux, Mark Dietsch, Milt Kochaniak, Paul MacDonald, Larry Wolf, John Bingamin, Steve Simpson, Kevin Smith, Larry Gallogly.

TOP RIGHT: Team Captain Tom Morten takes aim. Tom won the most valuable Marksman award for the team. MIDDLE LEFT: Freshman Mark Devine fired his way onto the first team and had an average of 549-73. BOTTOM RIGHT: John Pardo had a very consistent season, shooting 547.92 for the year.

20-0 IN CONFERENCE COMPETITION

Expectations were high this year. After last year's ninth place finish in nationals and six returning lettermen, we did not let ourselves down. The team kept up its winning tradition, finishing 20-0 in conference competition and third in the Turkey Shoot at Kansas State University—the largest intercollegiate rifle match in the U.S. with over 50 teams competing.

Superstar freshman Mark Devine smoked his way onto the first team and boosted the team's average to 561 out of 600, the highest team average ever for a USAFA rifle team. Team Captain Tom Morton led the team early in the season with the highest three-position average, but lost his

lead later in the season to junior Scott Allan. Senior Rich Lane spent a great deal of his time with his car (Blackbird), but he still had enough time to significantly contribute to the team's success. In the case of junior John Pardo, consistency was the name of the game as he continually pulled through when the rest of the team slipped. Junior Gary Finchum could have been top shooter on the team if not for a slight distraction mid-way through the season. As it was he still managed to finish in the top five regularly. The surprise of the season junior Steve Meiriam. Although he started out slow, by the end of the year Steve was shooting range-record scores. Deserving special recognition is

freshman Andy Gurner (Gurney) who continually kept table 280 entertained with his version of Patton's speech, his bagpipe quartet, and his shades of Monte Python.

For the first time the Academy reported a women's team which also went undefeated. Bev Turman led the girls with a respectable 538 average.

The entire team owes many thanks to sophomore Don Myers, who as manager kept the team supplied with bolts and bullets as well as moral support. The team as a whole contributed the best 20 man squad in the Academy's history, owing largely to coach and national record holder TSgt Grant Gruner.

GIRL'S TEAM: Major George Cannon, Suzanne Ginger, Beverly Turman, Jackie Ware, Noy Davis, Grant Gruver.

THIRD IN THE NATION

The Pistol Team bid farewell to its coach of six years, TSgt Bobby Tiner. Coach Tiner was hard to replace, but so far the new coach, TSgt Paray Hadley, has done an excellent job. Next year's team already looks better, but considering this year's record, Coach Hadley has his work cut out for him. The Falcons, captained by Dave McFaddin, placed 3rd in International and 3rd in Conventional courses of fire giving the team an overall position of 3rd in the nation. Dave Frymire was awarded All-American for the second year, and is a four year letterman. This gives the Pistol Team fifty-eight All-

Americans. These records, combined with a no loss season, shows why this team is termed the Academy's Winningest team.

The team posted a 14-0-0 record to run its current winning streak to 27 wins without a loss.

While the females on the team did not make a separate women's team, they did outscore all female competition.

This year's away trips were not only very successful, but also a lot of fun. The team got to tour historical Boston, while in competition at M.I.T. as well as enduring a long (and rowdy) bus trip to Wyoming, just to mention a few.

TEAM: FRONT ROW: Paul Lodridge, Dave Frymire, Dave McFaddin, Ken Hollenbeck, John Messer, Gary Skubal. SECOND ROW: Major Anderson, Craig, Jim Kennedy, Darrel Zelko, Doug Briggs, Pat Saunders, Mike Killion, Mike Behling, TSgt Coach Bobby Tiner. THIRD ROW: Bill McClure, Jan Sztuka, Jeff Sparks, Mark Snell, Bruce Fernandez, Carl Becker, Terry Parnell.

RMIGA CHAMPS

The Falcon golfers captured the fourteen team Rocky Mountain Intercollegiate Golf Association title for the second straight season. Led by team captain Vic Summers, three golfers made the 1st team RMIGA: Vic Summers, Tom English, and John Gough. Vic started the season out right by shooting a 69 in the first tournament, the Western State Invite. Pat Youngs, Rick Sergeant, and Ted Otero had their low competitive rounds for the season with 72, 72, and 73, respectively. The Falcon team total of 286 was to be the season's best.

The next major tournament was our own Falcon Invite. Vic Summers again led the Falcons and had an ace during the tournament, first ever for the Falcons. Shortly afterwards it was on to New Mexico for the prestigious Tucker Invitational. This tournament proved to be quite unsuccessful for the Falcon golfers. Vic Summers even managed to discover new parts of the course. Tom English had a 72 on the second day, typing him for medalist honors. The rest of the fall season consisted of three RMIGA tournaments with the Falcon golfers finishing 2nd, 1st, and 2nd respectively.

The spring season was even busier with Air Force finishing 15-1 in dual meets. The team spent spring break in California playing courses such as Cyprus Point, Spyglass Hill, and the Bayonet Assault Course. In the tournament at Pasatempo, Rick Sergeant turned in a sparkling performance while pacing the Falcons. He was the lone bright spot as the rest of the team danced with the "Barrancas." Bill Kendrick turned in a fine California trip as he got up and down out of a Dixie Cup. Poor Billy called little Sally every night. Howard Ratcliffe also played well, despite a snap hook or two at Old Del Monte. At the Stanford tournament, John "Belmont" Gough and John Scholtz succumbed to the feared Engloid squeeze.

The swimming team experienced another good year as they finished with 9 wins and 0 losses. This was topped by a 5th place finish and 181 1/2 points at the National Independent Championships. At the beginning of the season we had every reason to think that we would have our best team ever and our first meet against Tulane seemed to support this promise. After the Tulane meet we stumbled along against some teams that were good but failed to prepare for us. If they had prepared they might have given us the necessary shock to make us into a really good team. The Colorado meet was on us before we knew it and it was to be a real test. We hung on for a 62-51

victory.

Following the Colorado meet we spent three weeks recovering from the flu and preparing for the National Independents. The weakness caused by the flu hurt us severely and it had a definite effect on our performance in the Independents. However, we did have a superb meet and we broke eleven school records. In nearly every event several swimmers put on good performances. The best performance of all was put on by Hackbarth in the Breaststroke, Poorman and Smith in the Backstroke, Poorman in the Individual Medley, Smith in the 200 and 500 free, Waters in the Butterfly and the Individual Medleys, and Snyder on his legs. These fine

performances predict a fine future for the team as the only graduates will be Blake Bourland and Doug Poorman. These two fine competitors will be missed nevertheless. Blake has had some fine days with us and can be given individual credit for a close victory over Texas Tech two years ago. Doug has been the key man in the meet on many occasions, but he never had a meet like the one at Southern Illinois this year. His 156.26 Individual Medley, 1:55.28 Two Hundred Backstroke and 52.84 One Hundred Backstroke were his all-time best efforts. His 100 Backstroke brought us and him our first ever National Independent Championship. Hopefully, it will not be our last.

Falcon swimmer Fritz Wiegman gets the jump on his opponents.

LEAGUE TITLE FOR 12th STRAIGHT YEAR

The lacrosse team once again dominated play in the area, winning The Rocky Mountain Lacrosse League Title for the twelfth straight year. In his first year as varsity lacrosse coach, Captain Dan Ulmer reestablished the AFA lacrosse team as a strong NCAA contender. Undefeated league play, the team ended the season with a 12-4 record. The four losses all occurred at the hands of teams ranked in the top ten in the country. At the end of the season, six players were named to the first

team Rocky Mountain All-Star Team. These included All-American Mike McDonald, goalie Bart Jackson, team captains Mason Goodhand and Kim Kelly, Joe Grisham and Jim Colabufo.

Voted most valuable player, senior Mike McDonald was the highest scorer in Academy history. During the season he shattered four AFA records. Finishing the season with 74 goals and 27 assists, he set yet another record of 101 points in one season and his 172 career goals is

another all-time high. Mike McDonald was not the only outstanding player on the team; sophomore goalie Bart Jackson was second in the nation for goals scored average and he too holds a record of most saves in one game with 27. Team captains Kim Kelly and Mason Goodhand were second and third leading scorers for the season. Although five seniors are leaving, there are several returning lettermen to help record yet another excellent season.

20 WINS 7 LOSSES

Just completing one of its best records in history, the men's tennis team had a 20-7 record equalling the record for the most number of victories in a season. Top player was sophomore Matt Mulhern at number one singles who had a 21-6 record while junior Bruce Willard had an identical record at number five singles. Top doubles team was junior Ken Barker and freshman Wayne Wanner who combined for an 11-5 mark.

Playing at the number one singles position, Matt Mulhern racked up a 21-6 record.

AFA'S BAD NEWS FALCONS

At the onset of the spring season, the young baseball team's future was in question. The players knew they had a lot of potential, but how much? They knew they were young, but how young? They knew they had pitching, but how much? This team had surprised many people the year before and now the pressure was on to prove themselves and to others that they were the best team in the region.

After a 4-2 start, the team went south to Las Vegas for spring break. High spirits for a successful season were shot down by what turned into a spring disaster. The Falcons came home 0-6 on the road and quite down-hearted. But as

the saying goes, "we never say die." Upon returning home to the cold, wind-blown Colorado terrain, the tans faded but the win column grew. The pitchers settled down and the hitters began to explode. After this there were not too many games when the Falcons were held under ten runs.

The season before we were known as the upset-artists and called ourselves the "Bad News Falcons." This year we forgot the nicknames and affectionately referred to ourselves as the best team in the state! At one point in the season we won nine in a row and we finished the year at 22-15, the best Academy baseball record

in many years, and a tie for the most wins ever.

This team will be remembered for many things, but what will stand out the most will be: the most stolen bases in Academy history, top five in the nation in runs scored, and top five in batting average throughout the year. Oddly enough one team even flooded their field so they would not have to play us. We were very good, and most will be back to carry on the winning tradition, but a few fellow players and great friends will be missed: Kyle Bartels, Greg Postulka, Dave Atzhorn, Keith Heise, and Dave Meehan, the graduating seniors of the 1978 team.

OPPOSITE PAGE: TOP: Super support from the Comm Shop. MIDDLE: Senior Kyle Bartels shows his style that helped him set the school career batting record with a .412 average. BOTTOM: FIRST ROW: Terry Harris, John Young, Tom Green, Steve Miller, Bruce Brown, Eddie Schumacher, Ron Hunt. Coming up with its first winning season at 8-4, the women's tennis team later placed fourth in the regional championships. The squad was also third in the league standings with a 7-2 mark. Sophomore Kathy Bonnett at number six singles had the best individual record at 8-0. She combined with freshman Mary Trankle at number two doubles to score a 7-1 record.

The women's volleyball team finished its second year with an 11-1 dual league record and a first place in the Northern Division of Intermountain Association of Intercollegiate Athletics for Women. At one stretch in the season the Falcon women won 21 straight games in league play. Overall, the team posted fourth in the IAIW regional tournament, finishing the season with a 27-9 record.

WOMEN SWIM TO TEN SCHOOL RECORDS

The second year in women's swimming proved to be another good one as the season ended with eleven wins and three losses. The team lost to Wyoming, Virginia Tech, and William and Mary, all three being to Division I schools. Bonnie Schaefer, Ginny Caine, and Janet Peterson provided all of the team's first places in those three meets. All three girls were extremely good this year, winning 82 first places between them. Janet won 27 out of 28 times in diving while Ginny took 32 first places and 5 second places. These three girls broke all of the records in their events several times during the year. They had a particularly good day in the toughest meet of the

season where they performed spectacularly to win a meet that we should have lost. Everything gravitated for us against Northern Colorado as we won 66-64.

We finished the season at Brenau College in Georgia at the Small College Nationals. Six team members represented us for the second year in a row. However, all of our points came from Janet Peterson. She finished sixth on both boards, earning 18 points and giving the team a tie for 29th place. As a result of her fine performances, Janet became a two-time All-American, boosting our total to five as she joined Bonnie Schaefer, Ginny Caine, Karen O'Hair, and Julie Richards.

BASKETBALL

1978 was a good year for the Air Force Academy women's basketball team which set a season record that will challenge teams of the future.

Compiling a 20-2 record, the Falcons dominated the women's area basketball scene with a 10-0 league record and title while finishing second in the I.A.I.A.W. Regional 7 tournament in Colorado Springs.

Summing up the season, District 7 Coach of the Year, Dave Schichtle remarked, "It was a better season than expected. No one thought we had a chance at the beginning, but now the future looks brighter."

Top seeded in the regional tournament, the Falcons downed Southern Colorado 65-43 in the opener, and made it three in a row over Colorado College in the semifinals, 60-59, but lost to Eastern New Mexico 57-56 in the finals.

Freshmen Michelle Johnson, averaging 16.7, and Pat Swanke, leading the Falcons with an 18.8 average in the tournament, were named to the all-tourney team.

Schichtle, in his second year as coach, can look to the future since

this year's team was composed of all freshmen and sophomores.

Johnson, from Spencer, Iowa, led the team with an 18.8 average followed by Swanke with 14.2 and sophomore, Mary Jo Wier with an 8.3 average. Swanke, from Ladysmith, Wis., was second in rebounding with 175 while Wier, from Chicago, led the field with 187 rebounds.

Floor leader and team captain Diane Moyer, from Milan, Ohio, played in all 22 games and scored 119 points for a 5.4 average. She also led the team in assists with 48.

Another returning mainstay in the offense will be, seventh leading scorer and center, Denise Hayes, a freshman from Wilmington, N.C., who averaged 4.8 points per game, had 139 rebounds and led the team in blocked shots, with seven.

Highlighting the season was the undefeated record in Northern Division play and the three wins over the defending regional champion, Colorado College. All three contests went into the final minutes of the games, with the Falcons victorious 70-62, 62-54, and 60-59.

The Wing Open Boxing Championships were established so that any cadet in the Wing could compete in his weight class, and battle his way to the championships. Since its beginning, the Wing Open has been one of the most anxiously anticipated events in the Falcon Sports Schedule. With the move from the Cadet Gymnasium to the Field House in 1969, interest as well as attendance has soared. Crowds of approximately 6000 spectators have witnessed the championships.

In the history of the Wing Open, three cadets have made their mark by taking the title for their Weight class four years running. These former cadets are Gary Vasok, Class of 1964 (167 lb), "Burr" Dyre, Class of 1969 (177 lb), and Charlie Stallworth, Class of 1971 (145 lb).

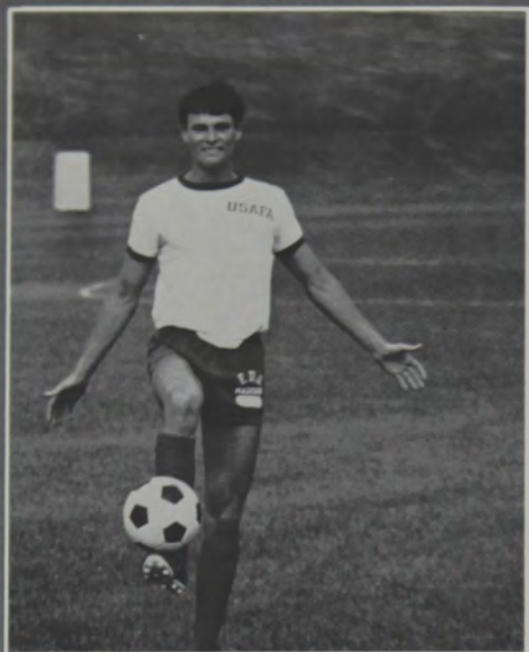

Since moving to the Field House, various charitable organizations have benefited from the Wing Open. In 1970 the March of Dimes was given \$245 to inaugurate the benefit. In 1971 the Muscular Dystrophy Association was given \$658. The Cadets for the Aid of Families of Prisoners of War donated \$516 in 1972 to the National League of Families of Armed Servicemen Detained in Southeast Asia. In 1973, \$714 was donated in behalf of the Sickle Cell Research Foundation by the boxers and Cadet Wing. In 1975 and 1976 approximately \$900 was given to the United Fund and the Rocky Mountain Rehabilitation Center, respectively. Last year \$765 was given to the Association for Retarded Children. This year's Wing Open collection was given to the American Cancer Society.

This year's Wing Open on March 10, features perhaps the best lineup of bouts ever assembled, due to the large turnout of quality boxers. The original group of 78 contestants has been narrowed through the preliminaries, quarterfinals, and semifinals down to 16 finalists.

The weight classes start at 130 pounds and proceed through 137, 145, 152, 160, 167, 177 and heavyweight. The finals include three defending champions from 1977, CAC Alex Cline, CAC Jim Bell, and CAC Vince Wisniewski.

Political Science

REMEMBER:

Tattoo, Protter and Morrey, Fiction 100, black low quarter Keds, a low pass and return to altitude, the purges: the frayed rifle strap purge, the yellow parade trou purge, the class shoe purge, the underwear marking purge, the min issue purge, locking room purge, the squadron nickname purge; fun one, thirsty third, frat five, Seagram's seven, evil eight, nooky nine, horny 18, playboy 19, wearing alpha to evening meals, mandatory Friday evening meals, wearing bravo for Saturday morning training, when the Cockpit Lounge had an upperclass side, when no one worried about frat, when no one ever heard of an eyes left, when first group had nametags on its beds, class colored blankets, class colored bathrobes, the extended weekend, two, echo, foxtrot, squeeze Parkay, 15¢ Cokes, the H. Ross Perot bet, when Giuseppe's was THE cadet hangout, when we didn't have nametags on our A-jackets and parkas, when we had shower formations in BCT, when there was grass in the quadrangles of Fairchild Hall, the New Dorm, poetry on the 0-96, the A-4 flyby, Dave Lawson's foot, squat thrusts, the dental hygiene brief, 1978's first beer call, John (A-T-T-I-T-U-D-E) Ralston, graded probelm sets, when they flooded the tour pad, mandatory dance lessons, when no one thought girls would ever come to school here, tomato juice, every body wore leather shoes, there were only two small lights in the rooms of Vanderberg Hall, getting issued sliderules, Bentley Rayburn, Jack Catton, Steve Miller, Brigadier General VAN DEN BERG!, when executive officers were C/1Lts, when they fired a machine gun when we scored a touchdown, flying T-33s for Stardust, when you took a number to get a haircut, the Cowboy, when lacrosse was an intramural sport, going on ODPs in bravo, falling asleep in Geog 120, the Life Science VD flicks, breaking ranks at breakfast formations, doughnut lines, when there was glass in the windows of Fairchild Hall, when snow cancelled school, when flu cancelled school, when squadrons wore spirit ties for sweeping intramurals, the Supt's red suspenders, no blue jeans in Arnold Hall, Mrs. Gail McComas, Col. Merritt, Dean Woodyard, Baffin, when the first class began at 0700, and taps was at 2230, dirty marching songs, wampum-up-side-the-head, squeeze my hand, chins were in, late lights, the coke break was the only break in BCT, Air Mail stamps, 10¢ stamps, 13¢ stamps, Firsties were gods, dual recognition as both a bicentennial university & military installation, Thunderbirds flew F-4's, winning 10 football games in 4 years, video tape of Nixon's resignation, Saigon fell: April 30, 1975, stereo hill rally, Stereos: April 16, 1975, Academy Blvd was a two lane road, when you thought graduation would never get here.

AFA Discontinued Cadet Balloon Club

In 1975, the Cadet Balloon Club was discontinued as an Academy sponsored activity marking the end of numerous enjoyable experiences for its members.

Started in 1972 with a small handful of cadets and a borrowed balloon, the club grew into a "squadron" boasting three balloons of its own. Two of the balloons were acquired as donations from Mr. Donald Piccard of the pioneer swiss ballooning family.

While in existence, the club provided cadet volunteers with instruction in the art of ballooning and enabled many of its members to earn their private and commercial balloon pilot licenses. Local Training activities were scheduled regularly on weekends, and the club participated in numerous regional, national, and international competitions.

The decision to discontinue the club was based on its high cost per cadet, waning membership, and inherent dangers to cadet balloonists imposed by unpredictable weather conditions and rugged terrain surrounding the Academy.

The Class of 1981 presented the Class of 1980 with an invitation. (RIGHT). RECOGNITION WEEK posture in the dormitory halls. (BELOW).

The United States Air Force Academy

The traditional salute behind the stage in Falcon Stadium. (ABOVE).

CS-28 won the Academic Achievement Award for having the top squadron grade point average (RIGHT).

Captain Charles L. Fox received the 1978 William P. Clements Jr. Award for Excellence in Education on 29 April 1978.

The Clements Award honors service academy faculty members who best characterize the principles of excellence in education fostered by former Deputy Secretary of Defense Clements. Clements organized and chaired the Department of Defense Committee on Excellence in Education and was the driving force behind many positive initiatives for improved military education programs. This is the second year in which the award has been presented.

Fox, assigned to the Academy's Department of Political Science since 1973, has "compiled an extraordinary record of excellence coupled with a tremendous breadth of accomplishments that reach across the spectrum of academic, military and athletic endeavor.

18th Takes Honor Squadron

"I saw you stack the deck."

— Capt. William Monay
Mindanao, Philippines, April, 1942

The 13,000 American troops who still had a tenuous hold on Corregidor were badly in need of medical supplies.

For months, a nerveless band of winged warriors called "The Bamboo Fleet" had provided shuttle service between Bataan, Corregidor and Mindanao. Capt. Bill Bradford, the most seasoned pilot of the lot, had logged more than 5,000 hours over the islands.

Now, one by one, the Philippine Islands had fallen to the Japanese. No one knew better than Bradford how improbable it had become to land anything on Corregidor's minuscule, shell-pocked airstrip. But somebody had to do it.

The pilots gathered to determine who would fly unarmed over enemy territory in the one bucket-of-bolts they had left, an arthritic 10-year-old Bellanca. A deck of cards would decide who would make the trip. Low man would go. Bradford shuffled, cut and drew the lowest card.

Capt. William Monay watched the proceedings with interest. "I saw you stack the deck," he whispered to Bradford.

Bradford vociferously denied it. "But the others wouldn't have a chance of getting into Corregidor," he said. "I know where to make that last dogleg turn and find it in the dark."

On a wing and a prayer, Bradford reached Corregidor, shaken but intact. As the medical supplies were being unloaded from his battered old plane, Gen. Jonathan Wainwright gratefully shook the courageous captain's hand. "Brad," he said, "I thought you'd get through!"

The men and women who wear the blue are a breed apart from the common herd. USAA has always been honored to serve the insurance needs of Air Force officers.

Today, 9 out of 10 military officers insure with USAA. If you're a Cadet, or a Regular, Reserve, National Guard, or Retired officer (whether drawing retirement pay or not), you're eligible to join USAA. Call our Colorado Springs office 598-8661 or write USAA, USAA Building, San Antonio, Texas 78288.

We'll be very proud to serve you.

A world of insurance
 at your command.

1. Our Accelerated Mission Testing (AMT) program predicts engine performance five years ahead of flight line aircraft. This allows us to identify and solve problems on the ground before they happen in service.

2. The Air Force "Pacer Century" program compares AMT predictions to designated high-time flight engines which are about a year ahead of the fleet. This confirms or adjusts AMT predictions on a running basis.

3. P&WA representatives at Air Force depots keep track of real-time parts usage—both recoverables and consumables—which we analyze, interpret and feed into an on-going data bank.

4. On a regular basis, we then prepare computer reports patterned after the USAF computerized order processing system. These help the Air Force anticipate changing parts requirements so the right part will be in the right place at the right time.

How else can we help?

THE RECOGNITION PEOPLE

This Is Where It All Began...

... On March 2, 1910, from Arthur MacArthur Field at Fort Sam Houston. The first military flight west of the Appalachians, was piloted by Lt. Benjamin Foulois.

Just 10 years later, a mile and a quarter south of Foulois' airfield, the National Bank of Fort Sam Houston was founded to specialize in banking for military families.

Today, Fort Sam Bank serves as Worldwide Hometown Bank for thousands of military and civilian families.

There's been a lot of progress since 1910... both in aviation and in banking. Let us show you the improvements in banking. For loans or to open your account, call us.

The great commanders of the past have been students of history. Join the **Air Force Historical Foundation** and get four issues free each year of the award-winning aviation historical journal **AEROSPACE HISTORIAN**.

The Air Force Historical Foundation was founded by the U.S. Air Force in 1953 with the purpose of preserving and publishing the history of the USAF.

AEROSPACE HISTORIAN, with its mixture of authentic first-person accounts, illuminating and illustrated articles, and serious pieces does just that. It is published in March, June, September, and December by Kansas State University for the AFHF. Along with articles it features book reviews, museum news, and current events and happenings in the air world.

Support the AFHF with your membership —

Junior Officers, Enlisted Men, and Students, \$7.50 per year (Canada, \$8.10)

Individuals, \$15.00 (Canada, 16.00)

Institutions or Organizations, \$20.00 (Canada, \$22.00)

Life Membership (only to individuals), \$200.00 (Canada, \$220.00)

Overseas members and subscribers add \$4.00 postage. All funds except Canadian must be in U.S. dollars.

Did you know?

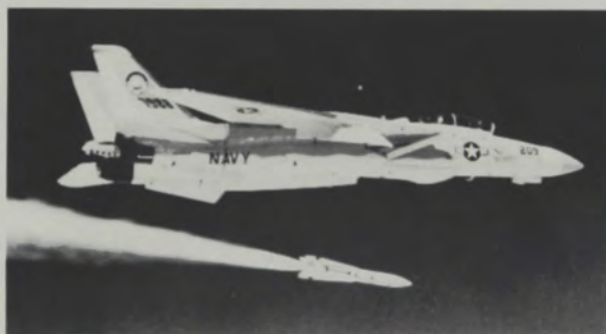

More than 22 countries have adopted TOW anti-tank missile systems since Hughes developed it for the U.S. Army. ▷

△ This multiprobe spacecraft is one of two vehicles destined to visit the planet Venus in 1978. Hughes is builder of both Pioneer-Venus spacecraft for NASA Ames Research Center.

Hughes built the "Eyes of the Eagle"—a lightweight, one-man, radar fire control system for the Air Force F-15 Eagle. It locates and locks-on to targets at long or short range, in nose-on or tail attack, and at high or low altitudes! ▽

△ The Navy's F-14 Tomcat can launch six Hughes-built Phoenix missiles simultaneously at six different targets—and at the same time track 18 additional targets!

△ Hughes has developed every major Air Defense Ground Environment system in the Free World since 1964!

△ Recent flight tests have shown that the Marine Corp A4M armed with the Hughes-built Angle Rate Bombing System (ARBS) can significantly improve day and night bombing accuracy of Marine aircraft. ARBS uses a laser designator such as the Hughes MULE or its TV tracker to provide target acquisition.

FAIRCHILD
INDUSTRIES

We have something in common. We're both leaders in our field.

Throughout history Americans have taken pride in the leaders our country has produced. Where would we be today if it weren't for the guidance, wisdom, and foresight of men like George Washington, Charles Lindbergh, Benjamin Foulois, and Eddie Rickenbacker. And what will happen to us in the future unless young men and women strive to become the best in their fields.

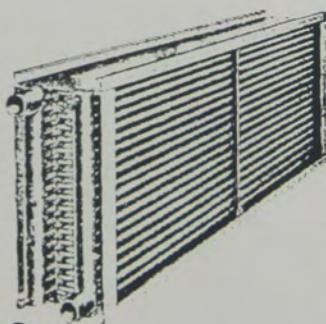

As a member of the Air Force Academy you are taking another step in becoming a leader.

Since 1939, United Services Life—the Officers company—has worked at becoming a leader in the life insurance industry. We are continually developing new products for our policyowners and seeking ways to provide the best service possible. We, like yourselves, are working to become the best in our field.

ATTENTION MEMBERS OF THE AIR FORCE, ARMY, AND DEPARTMENT OF DEFENSE.

When you belong to PFCU, PFCU belongs to you.

**Pentagon Federal is a credit union operated entirely
for its members.**

It works very simply. Members save with us. Appropriately, our savings accounts are called "share accounts" because our members share in the ownership of PFCU.

When our members need money, they borrow from us. Or, more accurately, they borrow from their fellow members.

Earnings from the loans are passed along to the members in the form of additional dividends on savings or share accounts. Our last quarter dividend was 6-1/2%.

PFCU members save money on credit, too. Our Thrifty Credit Service, which works like a checking account, costs 33-1/3% less than most store accounts and credit cards.

Our management staff is tiny compared to conventional financial institutions.

Let us tell you more about Pentagon Federal Credit Union. We are officially chartered to serve the Army, Air Force and Department of Defense. Call us for more information.

The first thing you should join after you join the Army, Air Force or Department of Defense is the Pentagon Federal Credit Union.

Production Notes

Walsworth Publishing Company in Marceline, Missouri printed Volume 20 of the POLARIS, United States Air Force Academy. The Photolithography printing process was used in the 4700 copy run.

The cover was designed by Tim Gulliver, '80.

Type faces are: Optima w/italics for the opening; Lydian w/italics for Varsity Sports and June Week; Helvetica w/italics for Military and Index; Lydian Boldface for Intramural Sports, Firsties, and Cadet Wing; Times Roman w/italics for Dignitaries, and Mellor w/italics for Academics.

Page Id's are in 6 point, captions are in 8 point, Cadet Wing names are in 8 point with hometowns in 6 point, Varsity Sports body copy is in 12 point.

118 pages of four-color tints were matched with the Murphy Color Guide Wheel and the Walsworth Color Selector Guide. Division pages and June Week are 100% Yellow, 100% Red, 20% Blue from Murphy Color Wheel Guide.

or Wheel Guide.

By volunteering for the editor's job, I accepted the responsibility of publishing not only the Class of 78's Yearbook, but the Cadet Wing's yearbook. However, help was lacking.

Bill Troy, CS-18, was the only other firstie willing to spend the hours and frustration in putting the '78 POLARIS together. One 2°, Doug Robb, joined the staff for the second year to put together the Varsity Sports section. There were no sophomores on the staff, and one 4°, Ann Marie Matonak, restructured the Cadet Wing section at the last moment. Eight photographers divided their time trying to record AFA events on film.

As the final shipment went to the plant, I wondered how my classmates and the Wing would receive the book. We did many things differently: the Cover, Opening, Firsties, Cadet Wing, Activities, Endsheets, use of color, Varsity Sports, Intramural Sports, and the index. If you liked the changes, tell the 79 POLARIS Co-editors Dave Sapper and Gary Harris, if you didn't - join the POLARIS staff and be constructive.

I would like to express a Special Thank You to the following, who in their own special way contributed to the success of the '78 POLARIS:

Betty Davis
Yvonne Strickland
Bill Madsen
Cindy Ceballos
Bob Wagner '78
Athletic Department
Gunner Nel

Mark Timko '80
Sue Timmons '80
Marc Luiken '81
Taco Bell '81
Sandy Darula '80
CS-18 Doolies
Kevin Gortney '81

Evaluate the effectiveness of our attempt to record 1978 at USAFA. Check our accuracy. The '78 POLARIS Staff believes you will like what we've published.

Rob van Haastert.
