1. To the war! to the war! loud and long— sounds the cry; To the war! ev-'ry sold-ier who—
2. To the war! to the war! loud-er rings— out the cry; Who'll en-list in this Ar-my all—

fears not to die;— See the mil-lions who're drift-ing to Hell's— end-less woe, O
Hell to de-fy?— All the ar-mor of Hea-ven our God— will be-stow, O

O who in the name of Je-ho-vah—

CHORUS

who in the name of Je-ho-vah will go?— will go?— Fight-ing on,
who in the might of Je-ho-vah will go?— will go?—

fight-ing on;— With the blood and fi-re We will nev-er ti-re. We'll fight un-til—

— the Mas-ter calls.— 3. To the

war! to the war! ev-'ry man— to his post; Go, care for the dy-ing; go,— seek for the lost;—

— Hark!— con-verts are sing-ing, their bright— fac-es glow, As they joy-ful-ly
joy-ful-ly shout—

CHORUS

shout:— To the war we will go! To the war we will go! Fight-ing on,

fight-ing on;— With the blood and fi-re We will nev-er ti-re. We'll fight un-til—

— the Mas-ter calls.—
