"The army behind The Army."

Volunteers are extremely valuable assets to The Salvation Army's efforts to meet the changing and unchanging needs of our world. Through the skills and experience you bring to The Army, you make significant contributions to society by positively impacting the lives of those you assist and help us assist. The Salvation Army volunteers change lives, uplift families, and support communities throughout our nation every day.

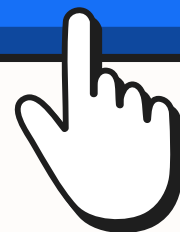

Thank you for volunteering with The Salvation Army La Crosse County. Your time is so appreciated and recognized. Thousands of hours are given to those who need it most, and our organization couldn't do it without you! You make the community and lives of those around you better. It has been such a pleasure working with volunteers, and quite uplifting to see people give their time to things they truly believe in. I have learned from you and have enjoyed every minute of the stories you share about life, why you believe in TSA, and why you care about people. You all are such bright lights in this world, and it is an honor to work next to you in our fight to better our community and world.

Willow Pecha,
Community Relations Specialist
