

October 20, 2011 SATERN Minutes

KC8SIV Tim
KC8PCL Dave
KC8DJ Dave
N8NET Tim

AB8WF Lucinda
KD8DLP Paul
W8GEP Grant
KD8JOM James short time
Chris Striebel short time

Meeting opened with group picture to be used for website.

James stole “5 minutes” to go on about why he appreciates us but does not have time to attend meetings. James announced that we will be moving sometime in the near future and someplace yet to be known.

Minutes read and accepted.

Canteen Radio--

--Yaesu--dual band

--mounted in cab and can move control head to back canteen area

--tested and works

--Tim still needs to get programmed frequencies typed out and distributed to all.

Lucinda can laminate copies for canteen

Tim to email PDF to group so can print out

File available from Tim to program Wouxon radios

EOC Radio

--Yaesu FT8800--same as in Canteen

We will now be monitoring MARA and IRA when we are in the EOC. Please monitor when you can.

EOC Phone

--459-3433 ext 1513--still need to add message on the phone

Reports:

1. Roll outs/Incident Response
Grant and Dave Smith on Scene , AB8WF for NCS, KC8SIV for staffing
2. SATERN Nets
2 meter getting busy
20 meter has more check ins from our group

New Business—upcoming move referred to by James

SATERN.sawmni.org = new web site

Training on Black Box Repeater by KC8DJ

--Set-up instructions handed out to all present.

--Everyone lifted the black box to note weight.

--Repeater will be deployed with canteen as needed.

--Members tried out setting up the repeater.

SATERN frequency is 469.5—cannot use until paperwork is completed

Announcements:

Upcoming SATERN activities

Christmas party at December meeting

Tech class starting in January, Tuesday nights 6:30 to 8:00pm

Comments:

Congrats to Paul on passing your general

Dave to send Tim copy of what he will send out to general list of SATERN members announcing net.
