## History of The Salvation Army in Jackson, Michigan

The Salvation Army originated in London, England, in 1865, and grew to include the United States in its service area in 1880. The Salvation Army began serving those less-fortunate in the Jackson area on February 1, 1885, and has served continuously since then. The present service facility was first completed in 1966, with major additions completed in 1988 and 2005. The Jackson Corps' annual budget has consistently grown as it serves Jackson County.

## MISSION AND GOALS

Every person is entitled to the basic necessities of life, food, shelter, and clothing. The Salvation Army endeavors to meet these needs (and other emergency needs) as appropriate, without discrimination, treating every consumer of our services with dignity and respect, so that they may become a successful self-sufficient member of our community. The Salvation Army assists applicants with funds from its own resources or refers them to another appropriate agency, if unable to meet the need.
