“I AM HEALED”

As you have read, per my emails, the many prayer request for healing. It is like God’s servants are being challenged by the enemy. Do you know how many times over the last 2 weeks I had to start my prayer off, “God we need to talk”. Just wanting to talk to Him about me being limited in what I could do, when I have soooooo much to do.

My pain does not measure up to the pain, hurt and loss that many of you have experience these past few weeks. So, let me encourage us all.

Isaiah 53:5 says...“But He was wounded for our transgressions, He was bruised for our iniquities; The chastisement for our peace was upon Him, And by His stripes, we are healed.”

I looked it up in Hebrew to make sure the words were the same. The word ARE, is present tense. So, it is nothing I have to wait on, it is something I have right now, at this very moment. You may be saying, but I don’t feel it in my body or my heart. Just because you don’t feel it, doesn’t mean you don’t have it.

Starting right now, begin to speak to yourself and declare nothing different than the word of God. I was told by my Overseer to stop saying, I’m ok or I’m better. He said speak, I AM HEALED.
