

Storm Song (Guitar Capo X2)

Words by: Eric Himes and Dietrich Hunter; Music by: Eric Himes

INTRO:

E A X4

VERSE 1:

A D E A

There is a Rock to build our house,

A D E A

Not sinking sand, but solid ground.

A D C#m F#m

When rains will fall and waters rise

A D E F#m

We will not drown but hold to Christ.

A D E A (E A X4)

We will not drown but hold to Christ.

VERSE 2:

A D E A

And in this storm I will not fear,

A D E A

Not counting waves, but drawing near.

A D C#m F#m

God, in His pow'r, rebukes the tide,

A D E F#m

Says, "Peace, be still" to all my life.

A D E A

Says, "Peace, be still" to all my life.

CHORUS:

D A E

A raging storm, a mighty Lord!

D A E

Our God, a refuge from all harm.

D F#m E

Oh, let Your truth invade my doubt.

D E A (E A X4)

And hear my cry, "I need You now."

Matthew 7:24-27

"Anyone who listens to my teaching and follows it is wise, like a person who builds a house on solid rock. Though the rain comes in torrents and the floodwaters rise and the winds beat against that house, it won't collapse because it is built on bedrock. But anyone who hears my teaching and doesn't obey it is foolish, like a person who builds a house on sand. When the rains and floods come and the winds beat against that house, it will collapse with a mighty crash."

VERSE 3:

A D E A
When through deep waters, called to go,
A D E A
Rivers of grief will not o'erflow
A D C#m F#m
For He is here, our trials to bless
A D E F#m
To sanctify our deep distress.
A D E A
To sanctify our deep distress.

CHORUS:

D A E
A raging storm, a mighty Lord!
D A E
Our God, a refuge from all harm.
D F#m E
Oh, let Your truth invade my doubt.
D E F#m E
And hear my cry, "I need You now."

BRIDGE:

F#m E D
"Lord, I need You now."
F#m E D
"Lord, I need You now."
F#m E A
"Lord, I need You now."

VERSE 4:

A D E A
Wipes every tear from every eye,
A D E A
As we behold, through holy light,
A D C#m F#m
City of gold, dressed as a Bride.
A D E F#m
He swallowed death in eternal life.
A D E A
He swallowed death in eternal life.
