## **NEW LEADERSHIP FOR SALVATION ARMY QUINCY AREA COMMAND ANNOUNCED**

The Salvation Army Quincy Area Command is excited to announce a change in leadership beginning June 30. Majors Trevor and Rochelle (Shelley) McClintock, current corps officers in Omaha, Nebraska, will replace Captains Michael and Kristina Sjogren as The Salvation Army Quincy Area Command Leaders and Senior Kroc Officers. Captains Michael and Kristina Sjogren have received new appointments at The Salvation Army Central Territory Headquarters located in Hoffman Estates, Illinois. “We know that the McClintocks will be warmly greeted by this community, just as Kristina and I were last summer,” stated Captain Michael Sjogren. “We are excited to see the new officers continue to carry on the mission of The Salvation Army in Quincy and the surrounding area.”

Majors Trevor and Rochelle (Shelley) McClintock have been officers in The Salvation Army for 20 years. They have served in four different communities in that time, including Marquette, Michigan, Manitowoc, Wisconsin, Grand Rapids, Michigan, and Omaha, Nebraska. “We have heard so many great things about our new appointment. We look forward to making new friends and being a part of this community.”, states Major Rochelle.

The McClintocks met and married in Aberdeen, South Dakota, while attending Northern State University. Major Rochelle is from Spearfish, South Dakota and Major Trevor hails from Wichita, Kansas. The couple has been married for 23 years. The McClintocks have three adult children. Their son, Landon and his wife Megan are cadets at The Salvation Army’s College for Officer’s Training in Chicago, Illinois. Their daughter, Hannah, and son, Connor, work and live in Omaha, Nebraska. The McClintocks enjoy spending time with their family, traveling, visiting parks, bird-watching, golf, and playing games.

Major Rochelle holds a BA in Elementary and Special Education from Northern State University. Major Trevor holds a BA in Ministry in Leadership and Ethics from Nazarene Bible College. The two enjoy working together as their gifts and skills go hand in hand as they serve and lead. “God has gifted the two of us very differently, better equipping us for service and ministry,” stated Major Rochelle.

“We are excited to learn and become a part of the community of Quincy and surrounding areas. We look forward to serving alongside a talented and dedicated team. We are looking forward to hitting the ground running on June 30 to lead The Salvation Army here,” Major Trevor shares.

The Majors plan to visit June 3-4, allowing Captains Michael and Kristina to introduce the new Quincy officers to the area, board members, and staff. Their first official day as Quincy leadership will be June 30.
