

# HOPE IS GREATER THAN FEAR.

## We need Personal Hygiene Kits for the Men in our Homeless Shelter

As we have faced the COVID-19 pandemic in our community, we have maintained a steady population at our Sylvia Fites Men's Shelter.

We like to provide each man who stays with us at the shelter with a Personal Hygiene Kit. *Today, The Salvation Army is in need of items to make these kits so we can ensure we have these personal supplies available to the men who stay with us.*

***Below are typical items that we include in each kit:***

**Liquid or Bar Soap**

**Shampoo**

**Deodorant**

**Bath Towel and Wash Cloth**

**Flip Flops (Large/X-Large)**

**Lotion**

**Shaving Gear (disposable razor, shaving cream)**

**Tooth Brush**

**Tooth Paste**

**Dental Floss**

**To donate items for the Personal Hygiene Kits for the Men's Shelter, contact:**
