## Chaplain Empowerment

by Pastor Veloris Brooks-Mann

"This past Sunday God gave me a Word to preach titled "He Nailed It!"

I want to share a little bit of that as we go into Good Friday and Resurrection Sunday.

I like to watch the gymnastic and ski jump part of the Olympics. It does not get exciting until the finals. I already have my favorite picks to win. As my favorite takes position for their final competition, I wait. The jumps, the flips, the turns, then the landing. The announcer shouts,

"They Nailed it!". That means it was a perfect performance and they are the winner. Jesus, said in John 19:30 ...."it is finished" .. "He nailed it" ....He was perfect and he now had the victory over sin for us. That means our salvation, our redemption, and our eternal life is now complete in Christ Jesus.

Not only did He do it PERFECTLY but He did it PURPOSEFULLY.

He nailed every sin that you and I ever committed and will ever commit to the cross.

He nailed our fear. He nailed our sickness. He nailed our depression, low self esteem and hopelessness. He nailed our pain. He nailed our secrets. Everything and anything that the devil tries to bring to your life...HE NAILED IT!

When the devil tries to come again and attack your mind, your body or your family, you tell him, HE NAILED THAT! Remind the devil of the cross that Jesus bared for you, for me and for those that are still lost.

Our PERFECT Savior with PURPOSE...NAILED IT!
