Christmas is a time to sing, a time to rejoice! It's a time to celebrate the glorious birth of our Savior King and the dawn of Hope that was born that night long ago. Because of Christmas, we no longer walk in darkness. We now walk in joy and light, for our King has come. And with His glorious coming came the birth of Hope!

It was a relatively small number of people who witnessed His arrival that first Christmas night. It didn't take a huge number of people to light the spark of good news and great joy surrounding His birth. Likewise, you don't have to have huge numbers and limitless resources in order to stage a choir to sing out the Good

News this Christmas. The *Very Simply Series* is designed to be easy-to-learn and easy-to sing, while making your choir sound larger than life!
