The Salvation Army’s mission is to preach the gospel of Jesus Christ and meet human needs in His name without discrimination. We are committed to disrupting the cycle of poverty, one person and one family at a time.

LOVE BEYOND HOMELESSNESS

Over the past decade, Daisy found herself living in cars, tents, on a friend’s couch, and seeking refuge at The Salvation Army Emergency Lodge on six different occasions. Unfortunately, experiencing prolonged periods of homelessness takes a severe toll on an individual’s mental, physical, and emotional well-being.

However, this past fall marked a turning point for Daisy as she returned to The Salvation Army shelter once more. This time, she was determined to break free from the everyday struggles that come with homelessness. With a newfound openness and willingness to embrace guidance from the shelter’s case manager, she was ready to make a change in her life.

For nearly two months, Daisy resided in the shelter, diligently pursuing the goals she set with the case manager in her action plan. She managed to secure a job in the hospitality industry, actively attended addiction support groups, maintained her sobriety, distanced herself from toxic relationships, and saved money. The consistent support and provision of basic needs during her stay at the shelter enabled her to bring about meaningful changes.

Finally, after enduring years of homelessness, Daisy achieved a significant milestone – signing a lease for her very own one-bedroom apartment. With renewed hope and determination, Daisy’s life has taken a positive trajectory, and she continues to embrace a brighter future.
