## Faith House Shelter helps homeless families and individuals

In 2019, Faith House shelter provided over 1500 peaceful nights rest to homeless individuals and families. The shelter, located in Siren, has two units and can house up to seven individuals or two families at one time.

When staying at Faith House, each resident is paired with a trained Case Manager who is on site daily to educate and encourage individuals. Case Managers help individuals by working with them to set goals that will guide them toward maintaining independence and permanent housing.

During their stay, clients are connected to housing programs throughout the community. In Burnett County, we feel providing Case Management to residents while they transition from shelter to permanent housing is helpful. We also have a person on staff who helps with Social Security Disability applications for people who may have a disability but have not gotten the help they need.

Faith House provides a warm place to sleep and works with our homeless to connect them with valuable resources in the community to ensure long-term independence.

Staying at Faith House Shelter means working toward independence with guidance. Goals are set, sobriety is maintained and independence is gained.

Thank you Vickie Main and friends for making and donating some fantastic afghan blankets for our residents!

We could not serve our residents, our homeless, without the help and generosity of people like you. Thank you so much for helping us help those who need a helping hand. You are making a difference!

## Red Kettle Campaign Totals are in!

The Red Kettle Campaign has come to a close. This year, our annual campaign had a goal of raising \$40,000 in November and December to help fund our programs that include: Faith House Shelter, Emergency Vouchers for Heat, Electric, Rent and their Food Backpack Program that helps to feed kids in need.

The goal of \$40,000 is such an important number to reach because it helps to fund the day-to-day needs of Faith House Shelter and the other programs. We are so pleased to announce that, with the help of many awesome donors and volunteer bell ringers, we were able to raise \$39,740.04!

We are so thankful to our stores who help us by allowing our ringers out front throughout the season. We couldn't do this without a community that supports our efforts to help those in the most need. Thank you!

Thank you Bill for bell ringing at Fourwinds in Siren!

---

Thank you Burnett County Humane Society for helping by Bell Ringing this year!

---

Thank you to the Siren United Methodist Church for Bell Ringing this year!

The weekend of October 19-20 was a time we were able to go out and support our troops who were departing from Spooner for a one year deployment to Afghanistan. We were honored to be a part of the efforts and are praying for our troops!
