HOMELESS SHELTER

The Emergency Lodge is a 45-bed overnight shelter available to individuals and families without the means to provide for their immediate housing. Residents are provided with intensive case management and given the opportunity to set realistic goals and work toward them.

Intake of new residents is available 7 days a week from 4:30pm - 6:30pm.

WORK BOOTS

Individuals starting a new job who are unable to afford the steel-toed boots or non-skid shoes required to start may receive a pair.

UTILITY BILLS

Keep your lights on and your home warm with emergency financial assistance with utility bills from Alliant Energy, WPS, Sheboygan Falls Utilities, Plymouth Utilities, and WE Energies.

WELLNESS CENTER

All Wellness Center programs aid in the active process of becoming aware of and making choices toward a healthy and fulfilling life. Wellness is more than being free from illness, it is a dynamic process of change and growth.

KMCI Release Wear

Inmates are provided with weather appropriate attire upon their release from the Kettle Moraine Correctional Institute. This simple act of love brings joy and hope to the inmates as they work to transform their lives and return to society as law-abiding citizens.

Pathway of Hope

Individualized services to families with children who desire to take action to break the cycle of crisis by helping them overcome challenges.

Prescription Assistance

Financial assistance available to eligible residents for prescription medications and diabetic supplies.

Made New Again

Providing men and women facing economic challenges with appropriate clothing for job interviews and employment.
