

Frequently Asked Questions

How much does Camp cost?

A \$10 non-refundable application fee is due to hold your child's spot for each camp session. The camp fee due on the first day of camp is based on income documented on the Summer Food Service Program Form that is required to be filled out by each camper. Based on the information received, your camp fee may be waived and \$5 of your \$10 application fee will be placed on a Snac Shac card for your camper. No camper will be charged more than \$10 per day. After we receive your registration packet (two forms needed to have actual signatures) you will be sent your camp fee. Your camp fee is to be brought on check in day in the form of cash or check made out to The Salvation Army. At check-in you will also be able to put money in the camp bank for your child to use while visiting the Camps Snac Shac.
